Miscellaneous.

SIR,—I am desired by His Grace the Governor in Council to forward to you the enclosed Proceedings of Government and to inform you that Mr. Thornhill is unable at present to perform the duty assigned and to request that you will take his place.

2. You are requested to make an inspection of the condition of the people in the portions of the North Arcot District in which His Grace in Council sees reason to fear there is severe distress. These are Narrayanaveram, the western part of Calastri, the Zemindari tract of Chendragiri, and the country between Rajampett and Kallur, and also the tract above the ghaut. You will also inquire into the state of things in the tract between Ranipett and Sholinghur. You will also report what steps have been taken by the District authorities to relieve distress; whether, in your opinion, these are sufficient, or, if insufficient, how they should be supplemented. Should any cases of emergent distress unrelieved come to your notice you will issue such orders as may seem to you emergently necessary.

I have the honor to be,
Sir,
Your most obedient servant,
(Signed) J. H. GARSTIN,
Additional Secretary to Government.
