No. 176. Read the following Proceedings of the Board of Revenue, dated 20th February 1877, No. 729 :—

Read the following letter from R. W. BARLOW, Esq., Collector of Chingleput, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated 17th February 1877, No. 112 :—

I HAVE the honor to forward specimens of wild herbs on which the Tahsildar of Trivellore reports that distressed people of his taluq partly subsist. I have received similar information from other Tahsildars, and such a use of the same shows great distress.

2. I would suggest that the Chemical Examiner be requested to analyse the same, as the Tahsildar apprehends that sickness, especially bowel-complaints, is caused by the use of the above plants.

THE herbs will be forwarded to Dr. Bidie, with request that he will kindly favor the Board with any remarks he may have to offer thereon.
