No. 184. Read the following letter from R. W. BARLOW, Esq., Collector of the Chingapat District, to Hon. D. P. CARMICHAEL, Secretary to Government, Revenue Department, Madras, dated Chingapat, 1st March 1877, No. 12.

I enclose the honor of forwarding a letter addressed by me to Sir Richard Temple, pointing out a state of affairs that has been taken into consideration by Sir Richard of my revenue suspended all next year and then favorable information of Government, copy of a letter from the Secretary, pointing out a state of affairs of India owing to misapprehensions of dry assessment being made, should coming seasons prove favorable.

From R. W. BARLOW, Esq., Collector of Chingapat District to C. F. BERNARD, Esq., S. L. Secretary to Sir Richard Temple, K. C. S. I., dated Chingapat, 1st March 1877, No. 34.

In the evening papers of the 1st March, I observed the following passage in an extract from a report of the Government of India to the Secretary of State dated the 18th March:—
"We do not overlook the statement made by Sir Richard Temple to the Collector of Chingapat, and which we have already noticed. That much of the area of the dry crop lands may be cut next year if the seasons are favorable."
I made no such statement to Sir Richard Temple, and I am unable to understand on what words of mine the misapprehension has been based. The idea of suspending collections of dry assessment all next year was never entertained by me, and I have already strongly recommended to Sir Richard the whole of this season of all assessment for dry lands left waste or on which the crops have a

In the morning of the 22nd of June, I received the following passage in an extract from a report of the Government of India to the Indian office dated the 10th of June.

"We do not overlook the extent of the work which appears to have been done to Sir Richard Temple, viz. the collection of Chiglapuk and to which we have already alluded. That much of the amount due on the crop lands may be realized next year if the seasons are favorable."

~~My dear Sir~~
I made no such statement to
Sir Richard Temple, and I am un-
able to conjecture on what words
of mine his misapprehension
for such it is - was based. The
idea of supplying collections
of dry account will next
year be never entertained by
me, and I have already strongly
recommended to the Board the
absolute renunciation of all account
of all account for dry land
in which or on which the crops
have not been.

I am, Sir,
