Famine Relief.

No. 188-A. Read the following Proceedings of the Board of Revenue, dated
24th February 1877:—

Read the following letter from J. F. PRICE, Esq., Acting Collector of
Cuddapah, to H. E. STOKES, Esq., Acting Secretary to the Board of
Revenue, dated Cuddapah, 17th February 1877, No. 83.

With reference to your telegram, dated 14th instant, No. 627, I have the
honor to inform you that actual outlay charged to famine from the commencement
to 31st January last, according to the accounts rendered to the Accountant-General,
was 10,78,411 Rupees. This includes sums paid for famine relief-works, miscella-
neous charges, extra batta paid for several permanent establishments, and salaries
to temporary officers and servants entertained on account of famine in the district.

2. From the total grant of Rs. 13,20,000, sanctioned by the Board up to date,
Rs. 13,05,500 had been placed at the disposal of the divisional officers up to
31st January last. They had drawn from the taluq treasuries Rs. 10,23,034, and
had a balance of Rs. 2,82,466 on the 31st ultimo to be drawn and expended in
this month. This sum will not meet the requirements of the district on account
of relief operations in the current month. The estimates received from the
divisional officers show that they require Rs. 4,30,000 on their own account, and
Rs. 44,000 is required in the huzar for carriage of grain and salaries, &c., so that
a further grant, Rs. 5,24,000, is required for this month.

3. To the expenditure of Rs. 10,23,034 in the taluqs, a sum of Rs. 55,277,
expended in the huzar for carriage of grain, &c., miscellaneous charges, and
salaries of temporary officers, servants, and extra batta, should be added, which will
make the total outlay for the district Rs. 10,78,411.

4. The Board will perceive a difference of Rs. 25,999 between the total
amount of outlay, as explained above, and the amount mentioned in the progress
report for the week ending Thursday the 1st instant. This difference is owing to
the cost of works completed being excluded from this return, and to several sums
drawn from the treasury by the Tahsildars for payment to relief coolies, and
forwarded to the several relief-work officers for distribution.

The district officers' estimate of Rs. 4,30,000 for February seems excessive,
in that they had a balance of Rs. 2,80,000, and that the weekly outlay on relief-
works is about 1,25,000 Rs. A grant of four lakhs will be sufficient, and this is
sanctioned. The Collector will be informed by telegraph.

been placed at the disposal of the Divisional Officers up to 31st January last. They had drawn from the Taluk treasuries ^{Rs} 10,73,004, and had a balance of Rs 28,2466 on the 31st ultimo to be drawn and expended in this month. This sum will not meet the requirements of the District on account of relief operations in the current month. The estimates received from the Divisional Officers show that the ^{Rs} 4,80,000 is not enough on account and Rs 14,000 is required in the Muzai for carriage of grain and salaries &c. as the further grant of Rs 5,000 is required for this month.

3. To the expenditure of Rs 1,12,000 in the Taluk of a sum of Rs 56,377 expended in the Muzai for carriage of grain & miscellaneous charges and salaries of temporary officers servants and extra labour should be added which will make the total outlay for the District Rs 10,78,611.

4. The Board will perceive a difference of Rs 28,246 between the total amount of outlay as explained above and the amount mentioned in the previous report for the week ending Monday the 14th ultimo. This difference is owing to the

cost of work completed being excluded from this return, and to several sums drawn from the Treasury by the Tahsildars for payment to relief coolies, and forwarded to the several relief work officers for distribution.
