Famine Relief.

No. 229. Read the following Proceedings of the Board of Revenue, dated 1st March 1877, No. 951 —

Read the following letter from Colonel C. V. WILKINSON, R.E., Superintending Engineer, to A. WEDDERBURN, Esq., Collector of Coimbatore, dated Coimbatore, 13th February 1877, No. 250, C-L

I HAVE the honor to forward a survey and estimate of Rupees 16,700 for the road from Karamathampatty towards Annor, which was entered in the general list of works to be carried out in this district as famine relief works.

1 Plan.
1 Estimate.

2. The length of the road is 9 miles and 80 yards, and it runs from the end of the Sannar railway feeder at Karamathampatty to a point 1½ miles to the east of Annor, on the road between Annor and Arumashy. The ryots of the villages along this line some time ago petitioned for its construction, and it is a highly advisable road to make as it passes near several large villages.

3. The total estimate for thoroughly completing the road to a width of 5 yards is Rupees 16,700; of this amount Rupees 5,000 are for a road dam and twelve tunnels, the construction of which I have the honor to suggest may be (for the present) postponed until they can be built from Local Funds, and the remainder of the estimate (Rupees 11,700) sanctioned as a famine relief work.

4. Fencing work being required in the neighborhood, the first mile at the Karamathampatty end has already been lined out by this department and work commenced on it under the orders of the Head Assistant Collector.

No. 68.

Forwarded to the Board of Revenue for sanction. An allotment of Rupees 7,000 is provided for this work in the list of 1st January, approved by the Board of Revenue in their Proceedings, No. 135, of 12th Idem. This allotment will have to be raised to Rupees 11,700 on the estimate being sanctioned.

COIMBATORE,
17th February 1877.

(Signed) A. MARTINDALE,
for Collector.

EXHIBIT No. 1.—Plan

EXHIBIT No. 2.—Estimate

The estimate, amounting to Rupees 16,700, for a road from Karamathampatty to Annor will be submitted for the sanction of Government. Of the amount, Rupees 4,720 (not Rupees 5,000) are for a road dam and tunnels, and it is proposed to carry out the earthwork from the balance of the estimate as a famine relief work. Rupees 1,000 are entered for compensation for land.
