**Famine Relief.**

No. 242A. Read the following Proceedings of the Board of Revenue, dated 3rd March 1877, No. 1,011:—

Read the following letter from F. R. H. SHARP, Esq., Acting Collector of Nellore, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated 21st February 1877, No. 896.

I HAVE the honor to state that the work in the Press Department of this office has of late been considerably increased owing to the numerous forms of famine relief returns and circulars besides others of a miscellaneous nature having to be printed. The Press Superintendent represents that, though the department is working from 9 A.M. to 5½, and sometimes to 6 P.M., he has not been able to turn out the work without causing serious inconvenience and delay. I therefore beg to support his application for two extra hands, at a monthly cost of Rupees 14, as shown in the margin, to be met from Famine Relief Funds. I notice that in the North Arcot District a temporary Pressman and a Ballman, at a cost of Rupees 17 per mensem, appear to have been entertained as per appointments in that District Gazette of the 6th instant.

Submitted for the favorable consideration of Government.

2. The Board have not heard similar abstract in North Arcot; the question to obtain the sanction of Government was an oversight. It is requested that their Proceedings, dated 6th February 1877, No. 1,773, may be continued and authority granted to them to authorize the entertainment of extra hands for Press Offices in other districts when absolutely necessary.

Enclosure No. 1.

Proceedings of the Board of Revenue, dated 6th February 1877, Miscellaneous No. 1,773.

Read the following letter from W. S. WHITESIDE, Esq., Collector of North Arcot, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Ranipett, 24th January 1877, No. 47.

THE Deputy Collector in charge of the Treasury and the Press Office has brought to my notice that the forms required to be struck off and supplied to the officers noted in the margin are much in arrears, and that it is found unfortunate with the two Peons and two Ballmen now in the office, to get through the work. He therefore suggests that two extra hands, one Peon and one Ballman, be entertained for striking off the large number of forms as per margin required to be supplied to Tahsildars and Deputy Tahsildars on account of relief works. I have the honor accordingly strongly to recommend that the Board will be pleased to sanction the entertainment of the two extra hands required by the Treasury Deputy Collector to be paid out of Famine Funds.
