Proceedings of the Madras Government, Revenue Department,
8th March 1877.

No. 243. Read the following letter from the Superintendent, Revenue Survey, to the Hon. D. F. CARMICHAEL, Secretary to Government, Revenue Department, dated Chepauk, 28th February 1877, No. 699-31 :—

REFERRING to G.O. of the 17th February 1877, No. 728, I have the honor to report that lists of maps published in this office were furnished to the undermentioned officers on the dates specified against their names :—

The Secretary to Government, Revenue Department.	10th February 1877.
Do. do. Dept. of Public Works.	
Do. Board of Revenue.	
Inspector-General of Police.	
Postmaster-General.	
Surveyor-General of India.

Collector of Madras.	

2. Revised catalogues will in future be printed and distributed half-yearly, and requisitions addressed to the Superintendent at the Central Office, Madras, and framed in conformity with the rules, are now punctually attended to.

3. I think it would be a good plan to insert in the District Gazettes, extracts from the General Catalogue referring to maps of the district procurable in the Central Office, but I am strongly of opinion that it would not be advisable to attempt to establish branch map stores at the District Treasuries and to distribute [illegible] care and attention. Unless they are carefully arranged and referenced to an Index, they are lost sight of and or not available on demand. Distribution to branches necessitates the keeping up of a large stock to meet possible demands, and it may safely be said that the small additional delay in supply, which reference to the Central Office entails, would hardly ever be of any moment.

No. 244. ORDER THEREON, 8th March 1877, No. 931.

Miscellaneous.

COMMUNICATED to the Postmaster-General and Board of Revenue, with reference to the order quoted.

2. The Superintendent's suggestion in the first part of paragraph 3 is approved, and the Board will issue instructions for giving effect to it.
