Proceedings of the Madras Government, Revenue Department,
9th March 1877.

Famine Relief.

No. 294A. Read the following Proceedings of the Board of Revenue, dated 28th February 1877, No. 929:—

Read the following letter from J. F. PRICE, Esq., Acting Collector of Cuddapah, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Peelair, 3rd February 1877, No. 69:—

I HAVE the honor to request instructions as to the preparation of the statement referred to in paragraph 4 of the Proceedings of the Board of Revenue, No. 2,934, dated 27th November last.

2. I cannot clearly understand to what year the collections to be shown have reference. The part bearing upon cultivation is distinct enough, but I do not quite see what "1875-76" refers to.

3. My Sheristadar has sent me up a statement for December last, and has given the collections for 1876-77, which appears to me not to be what the Board has called for. I however send it up in case that it is what is wanted.

4. There seems to be some misunderstanding amongst Tahsildars as to what is to be shown under "collections." Should it be those on the current demand, or arrears and current demand together?

ENCLOSURE No. 1.—Statement.

THE statement received with the foregoing letter will be submitted to Government with reference to their Order, dated 29th November 1876, No. 1,855.

2. "1875-76" under the head collections in the margin of paragraph 4 of the Board's Proceedings, dated 27th November 1876, No. 2,934, is a mistake for 1876-77. The year to be noted is the official year to which the monthly return appertains.

3. The collections on the current and arrear demand together should be shown in the return as has been done in that now sent by the Collector.
