*Proceedings of the Madras Government, Revenue Department,
9th March 1877.*

Read the following letters:—

No. 295. From W. DONALD, Esq., Officiating Accountant-General, Madras, to the Honorable D. F. CARMICHAEL, Secretary to Government, Revenue Department, dated Fort St. George, 20th February 1877, No. 853.

With reference to Proceedings of Government, No. 954, dated 19th instant, Revenue Department, notifying that Major C. C. Sargeant was in charge of the Office of the Superintendent of Revenue Survey from the 15th January to the 12th February 1877. I have the honor to ask that the charge allowance to be passed to him may be fixed by His Grace the Governor in Council in accordance with Section 25 of the Acting Allowance Code.

2. For the period in question the honorarium granted to Major Sargeant must be in abeyance, as he cannot receive it in addition to charge allowance.

No. 296. From L. C. PROBYN, Esq., Accountant-General, Madras, to the Hon. D. F. CARMICHAEL, Secretary to Government, Revenue Department, dated Fort St. George, 3rd March 1877, No. 875.

In reply to your official memorandum, No. 60, dated 1st instant, I have the honor to state that it was presumed that the deputation allowance which Government would fix would amply compensate the officer in charge of the office of Superintendent of Revenue Survey for the expenses attendant upon a residence at the Presidency Town, the head-quarters of the officer in question.

2. With regard to the honorarium alluded to, I respectfully request that His Grace the Governor in Council will report the grant of the same to the Government of India for confirmation, as this office has not received any answer to the reference made by Mr. Lodwick on the subject in 1874, and I consider it better, in the circumstances, that the matter be brought again to the notice of the Supreme Government by the Government of Madras than by me.

No. 297. ORDER THEREON, 9th March 1877, No. 996.

Miscellaneous

The Accountant-General is directed to pass a "charge allowance" to Major C. C. Sargeant, at the maximum rate

allowed under the section of the Acting Allowance Code quoted by him. This is Rs. 150, the Superintendent's salary, according to the existing sanction, being Rs. 1,500 per mensem.

2. The Government sees no reason to deprive Major Sargeant of the honorarium to which he is entitled under G. O. 6th October 1874, No. 1,275, as the "charge allowance" is for the "increase of responsibility" and the "additional work" thrown upon that officer pending the appointment of an officer to act for Colonel Hessey. The charge allowance, were the honorarium deducted, would be insufficient remuneration for the heavy work which devolved upon Major Sargeant whilst officiating.

Proceedings of the Maurus Government, Revenue Department,
24th March 1877.

The Government do not see the necessity of making any reference to the
Government of India as suggested by the Accountant-General. It does not appear
that Mr. Lefevre's reference was reported to Government.

FROM THE ACCOUNTANT GENERAL

TO THE *Secretary to Government*
Revenue Department

SIR,

In reply to your official letter No. 10 dated
1st instant, I have the honor to state that it was
previously stated that the stipendium allowance which
Government would fix would amply compensate
the Officer in charge of the Office of Superintendent
of Revenue Survey for the expenses attending his
attendance at the Presidency Council, the third
Quarter of the Office in question.

With regard to the remuneration alluded
to, I respectfully request that His Honor the Governor
in Council will refer the point of the same to the
Government of Madras for consideration, as the Office
has not received any answer to the reference made
by Mr. Lockhart on the subject, in 1869, and it
remains at this time in the circumstances that it
is still brought again to the notice of the Government
by the Government of Madras, for consideration.

Very respectfully,
Yours obedient servant,

W. J. G. G.
Assistant Accountant General
