PROCEEDINGS OF THE BOARD OF REVENUE, dated 22nd May 1875.

Read the following letter from J. H. GARSTIN, Esq., Collector of South Arcot, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Cuddalore, 9th January 1875, No. 12:—

With reference to the accompanying copy of letter from the Acting Head Assistant Collector, No. 588, dated 9th December last, I have the honor to request that pending the introduction of the new scheme of village establishments submitted with my letter of 9th December last, No. 643, sanction may be granted for an annual payment of Rupees 18 to the Taliary of Congarakondan in Villapuram Taluq as recommended by the Head Assistant Collector, as no land is available in the village for assignment in lieu of the Maniem rendered unfit for cultivation.

ENCLOSURE No. 1.

From C. KOUGH, Esq., Acting Head Assistant Collector of South Arcot, to J. H. GARSTIN, Esq., Collector of South Arcot, dated Tindivanam, 9th December 1874, No. 588.

In the village of Congarakondan in Villapuram Taluq, the Taliary Maniem land, measuring Cs. 7-15-3 assessed at Rupees 9-11-10, has become unfit for cultivation, having been swamped by the Pennar River and silted beyond recovery.

2. This village was transferred in 1860 from the Trivadi Taluq. When attached to the latter, the Taliary was in receipt of a ready-money allowance of Rupees 0 per annum independent of his Maniem land, but this was discontinued when the village was transferred, as it was not connected by the Police Department, which at that time disbursed these allowances to any station of this division.

3. There is no land available for assignment of Maniem in the village; I therefore have the honor to request that you will be good enough to obtain sanction for paying Rupees 18 annually to the Taliary, which represents a monthly salary of Rupees 1½, and is about the aggregate value of his former allowance and land.

(True Copy)

(Signed) J. H. GARSTIN,
Collector.

THE Collector may propose the assignment of the assessment of any Ryotwar land in the village equal to that of the Inam lost. The consent of the owner is not necessary as his possession will not be disturbed.

2. The Collector should explain more fully how the ready-money allowance ceased to be paid, and from what source it used to be paid when the village was attached to the Trivadi Taluq.

Acting Secretary,

Board of Revenue,

No. 993.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 3rd March 1877.

Read again Board's Proceedings, dated 22nd May 1875, No. 1,403.

Read also the following letter from J. G. HORSFALL, Esq., Acting Collector of South Arcot, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Cuddalore, 26th January 1877, No. 22 :—

As directed in the Board's Proceedings, dated 22nd May 1875, No. 1,403, I have the honor to submit a statement recommending the assignment of the assessment, amounting to Rupees 9-11-4, of Ryotwar land in Kongarakondan to the Taliari of that village whose Service Inam has become uncultivable.

2. With reference to paragraph 2 of the Proceedings in question, I beg to state that after careful inquiry it has not been possible to ascertain the circumstances under which the ready-money allowance paid to this Taliari ceased; but from the fact that the last payment was made in the Trivady Taluq and none subsequently to the transfer of the village to the taluq of Villapuram, and that simultaneously with this transfer the control over this class of servants passed from the Revenue Department into the hands of the Police Department, it is presumed that the cessation of the allowance was due to an omission on the part of the Police or Revenue Department of the name of this Taliari in the list prepared at the time (*vide* paragraph 2 of Mr. Kough's letter embodied in the Board's Proceedings under reply).

3. When the village was in the Trivady Taluq the ready-money allowance in question used to be paid out of the public treasury as in the case of all Taliaries in the district, under the sanction accorded in Extract from Minutes of Consultation, dated 26th April 1858, No. 528, paragraph 10, and Extract from Minutes of Consultation, dated 3rd July 1858, No. 925.

ENCLOSURE No. 1—Statement.

In the Collector's letters printed in the Board's Proceedings quoted above, sanction was requested for an annual payment of Rupees 18 to the Taliari of Kongarakondan Village, in the Villapuram Taluq, on the ground that the Maniem land in his enjoyment, assessed at Rupees 9-11-10, had been rendered unfit for cultivation by the silting of the Pennair river, and that the ready-money allowance of Rupees 6 per annum he was in receipt of was discontinued from 1860. The Collector was requested to propose assignment of land revenue equal to that of the Inam lost, and to report how the ready-money allowance had been discontinued.

2. In the second letter quoted above, the Collector states he has not been able to ascertain how the money allowance had been discontinued, but presumes that owing to the transfer of the village from the Trivady Taluq to Villapuram simultaneously with the transfer of the village police from the Revenue to the Police Department, the name of this village must have been omitted from the list prepared at the time.

Proceedings of the Madras Government, Revenue Department,

No. 524. Read the following Proceedings of the Board of Revenue, dated 3rd March 1877, No. 993:—

Read again Board's Proceedings, dated 22nd May 1875, No. 1,403.

Read also the following letter from J. G. HORSFALL, Esq., Acting Collector of South Arcot, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Cuddalore, 26th January 1877, No. 22.

As directed in the Board's Proceedings, dated 22nd May 1875, No. 1,403, I have the honor to submit a statement recommending the assignment of the assessment, amounting to Rupees 9-11-4, of Ryotwar land in Kongarakondan to the Taliari of that village whose Service Inam has become uncultivable.

2. With reference to paragraph 2 of the Proceedings in question, I beg to state that after careful inquiry it has not been possible to ascertain the circumstances under which the ready-money allowance paid to this Taliari ceased; but from the fact that the last payment was made in the Trivady Taluq and none subsequently to the transfer of the village to the taluq of Villapuram, and that simultaneously with this transfer the control over this class of servants passed from the Revenue Department into the hands of the Police Department, it is presumed that the cessation of the allowance was due to an omission on the part of the Police or Revenue Department of the name of this Taliari in the list prepared at the time (vide paragraph 2 of Mr. Kough's letter embodied in the Board's Proceedings dated 22nd May 1875).

3. When the village was in the Trivady Taluq the ready-money allowance in question used to be paid out of the public treasury as in the case of all Taliaries in the district, under the sanction accorded in Extract from Minutes of Consultation, dated 26th April 1858, No. 528, paragraph 10, and Extract from Minutes of Consultation, dated 3rd July 1858, No. 925.

ENCLOSURE No. 1.—Statement.

In the Collector's letters printed in the Board's Proceedings quoted above, sanction was requested for an annual payment of Rupees 18 to the Taliari of Kongarakondan Village, in the Villapuram Taluq, on the ground that the Maniem land in his enjoyment, assessed at Rupees 9-11-4, had been rendered unfit for cultivation by the silting of the Pennair river, and that the ready-money allowance of Rupees 6 per annum he was in receipt of was discontinued from 1860. The Collector was requested to propose assignment of land revenue equal to that of the Inam lost, and to report how the ready-money allowance had ceased to exist.

2. In the second letter quoted above, the Collector states he has not been able to ascertain how the money allowance had been discontinued, but presumes that owing to the transfer of the village from the Trivady Taluq to Villapuram simultaneously with the transfer of the village police from the Revenue to the Police Department, the name of this village must have been omitted from the list prepared at the time.

3. The Taliaries in South Arcot are renumerated at Rupees 30, 24, and 18 per annum as shown in the margin—
vide G.O., dated 26th April 1858, No. 528. The Taliari of Kongarakondan appears to have belonged to the 3rd-class and should have had according to the sanctioned scale 12 Rupees worth land and 6 Rupees ready-money, and the Collector's recommendation to grant him an yearly grant of Rupees 18 appears to be based on this fact. The actual Inam in the Taliari's enjoyment is worth only Rupees 9-11-4, and considering the approaching re-organization of village establishments in South Arcot there seems no reason for granting him more land. The reason assigned by the Collector for the discontinuance of the money grant may be accepted, and in the circumstances the sanction of Government is requested for the assignment of land, assessed at Rupees 9-11-4, as proposed in the Collector's statement enclosed, and for an annual money grant of Rupees 6.
