Read the following paper:—

No. 275. *Proceedings of the Board of Revenue, dated 8th January* 1877.

From W. LOGAN, Esq., Collector of Malabar, to the Acting Secretary to the Board of Revenue, dated Calicut, 28th December 1876, No. 321.

Referring to the Board's Proceedings, dated 14th instant, I have the honor to inform you that no extra establishment has been entertained to watch the traffic in grain. Check is now being made on all the roads communicating with districts to the eastward, and the Railway authorities are also rendering assistance. It will become a matter of vital importance to know approximately what quantity of grain is in the district before the Coast ports are closed for the monsoon, as supplies could after that only come by rail into the Southern Taluqs.

2. The Board are right in supposing that the amended figures were not communicated by the Accountant-General till June and the subsequent months of the current year. There was no mistake in my accounts.

Submitted to Government in continuation of Board's Proceedings, dated 14th December 1876, No. —.
