No 2750

Tanjore Collector's Office
Tanjore 15th August 1877

From

H. S. Thomas Esqr
Collector of
Tanjore

To

C. G. Master Esqr
Revenue Secretary to
Government Madras

Sir,

In reply to your telegram dated 11th August 1877, I have the honor to submit that the need for an extra Deputy Collector is for the organization and superintendence of the Famine arrangements ordered to be made in this District. One camp is being rapidly run up at Tanjore and it will probably have to be followed by others in the neighbourhood and apart from relief and work

in

in other parts of the District there will be. I cannot possibly foresee how many but perhaps some 5 or 10,000 people to care for and work in the very heavy Division of Combaconum and Tanjore the excellent officer in charge of which is just killing himself with overwork. Recognizing this I have not given him any of this extra work, but though in his Division I have personally superintended every detail myself up to date But as the work grows this cannot continue. If it were to I should be turned into a Divisional officer myself tied down and unable to administer the rest of the District.

2. I submit for kind approval the name of Police Inspector Millet as a 4th class Deputy Collector for this work.

He is young about 31, physically strong and energetic, rides, is zealous, determined, with a capacity for organizing and leading others, very highly spoken of by all Police officers for his work in that Department to the Head of the non commissioned grade in which he has long since risen and been selected for the charge of the most difficult Taluq Combaconum. He is equally highly thought of by the present and former Head Assistant Magistrates and by myself from personal knowledge.

3. The Superintendent of Police has kindly agreed to spare him conditionally on the concurrence of the Inspector General of Police, which has been sought.

I have the honor to be
Sir
Your Most Obed't Servant
M. Turner.
