Sir

In their order dated 18th

October 1876 No 2427 communicated

with the Board's Proceedings

dated 26th Idem Miscellaneous

No 9213, The Government sanc-

tioned the entertainment of 4

Zumastahs on a salary of Rupees 15

each for the purpose of arranging the Hulgar Vernacular Records for a period of six months. These Gumastahs have been working under the immediate supervision of the Treasury Deputy Collector. The work turned out by them has been checked every week by that officer who has from time to time issued to them such orders as to secure the arrangement of the records in a thorough and — satisfactory manner. It appears from the report of the Treasury Deputy Collector that nearly 300 Daffers or bundles have been sorted, and there is much more

to be done to place the records in a satisfactory condition. He therefore requests that the present Establishment may be allowed to continue at least for a year longer. I have inspected the Record Room myself, and quite agree with the Treasury Deputy Collector in thinking there is more than enough of work for the Gumastahs for another year. I have accordingly the honor to request that the Board will be pleased to move Government to sanction the continuance of the services of these 4 Gumastahs for another year.

2. Pending Location, and in consideration of the present death, I have instructed the Treasury Deputy Collector to pass the salaries due to the Gumadahs for the past month, and I trust that my action in this matter will meet with approval
