Miscellaneous No. 11789

Proceedings of the Board of Revenue.

Dated 23d August 1877

Read the following

No. 252

From,

The Acting Collector

Trichinopoly

To,

The Secretary to the

Board of Revenue

Madras

Sir,

On the 19th of March last, a remittance of Rs. 600,000 was sent to the Bank at Madras. Of this sum Rs. 54,000 were throffed and taken into the Bank and the balance (Rs. 546,000) was forwarded by the Bank to the Reserve Treasury at Calcutta.

2. On the 21st of last month, the Secretary & Treasurer of the Bank of Madras wrote to this office that a portion of the sum remitted to Calcutta was found

found to be composed of coins

of the marginal descriptions amounting

to Rs 20, that there was an eight

anna piece in excess, and that giving credit

to this excess the net difference amounted to Rs 19½,

which sum he requested might be sent by a

Transfer Receipt.

Defaced or soldered.	Rs 7
Light weight or reduced	12
Counterfeit	1
	20

3. To enable me to trace the party through whose neglect this difference occurred, I wrote to the Secretary to obtain and send to this office the shroffs' tickets put into the bags in which the coins objected to were found, and I further requested that officer to return the objectionable coins.

4. The Secretary has in reply informed me that he applied to the Bank in Bengal for the shroffs' tickets but that they stated that such tickets had not been kept. The objectionable coins have been returned.

5. In the absence of the tickets I am utterly unable to fix the responsibility upon any particular individual or individuals. The defaced coins weigh 6 15/16 talahs of silver and the light weight or reduced coins 11 talahs. Deducting the intrinsic value of these coins Viz Rs 17-15-a from the aforesaid sum of Rs 19-8-0 the net loss amounts to Rs 1-9-

6. Should the Board see no objection, I have the honor to request that the necessary sanction may be accorded for writing off this small amount to profit and loss.

7. I would beg to point out that the statement in letter No 4000, dated 17th July 1877, from the Bank of Madras to the Accountant General, (Copy of which is enclosed) Viz that they had made three applications to the Treasury Officer here on the 21st Ultimo, and the 3d & 9th Instant, but received no reply, is not strictly correct. Their letter of the 9th Instant was in reply to a letter from this Treasury, dated

dated 6th Instant, asking for particulars.

Trichinopoly Collector's Office, 26th July 1877.
