Proceedings of the Board of Revenue
Dy 13th August 1877

Read the following;

Copy of the letter from the
Executive Officer Ishapatty
Division, to the District Engineer
Nellore, dated 31st July 1877 No. 1031.

Sir.

I have the honor to report
that the Tahsildars of some
Taluqs Continue to send to the
Canal Sealches of Coolies,
as a punishment, the Coolies are
quite unfit for hard work
and [illegible] unwillingly refuse
the excavation

is not dry after a few days they disappear and I suppose they go back and obtain batta to come again, we have quite as many coolies as we can look after and I would suggest that the time has now arrived when it is unnecessary to offer any inducements more coolies; the present arrangements do not work satisfactorily sometimes not ten per cent of a batch turns up and those who come are at once put on the [illegible] list.
