MISCELLANEOUS No. 3772. REVENUE DEPARTMENT.

PROCEEDINGS OF THE BOARD OF REVENUE.

Dated 13th August 1877.

Read the following

No. 601.

FROM C. H. Barlow Esquire
Collector of the
Chingleput District.

TO C. A. Galton Esquire
Secretary to the Board of Revenue
Madras.

SIR, I have the honor to forward for the information of the Board and Government a statement showing the rainfall at each Taluq Cutcherry as tabulated from the reports received from the various Taluqs in the District, and to observe that the total fall in the Sub-Division during

during the past fortnight was greater than in the principal Division. This slight rain all over the District has proved useful to some extent in saving the raggy and Kar cultivation which was suffering from want of water in the tanks that received a fair supply during the heavy Cyclone, but which has since been exhausted.

Chingleput District Collector's Office Saidapet 11th August 1877.

I have &c.
(Sd) R. H. Barlow.

Submitted for the information of Government.
