FROM

C. J. LYALL, Esquire,

Under-Secretary to the Government of India,

Department of Revenue, Agriculture

and Commerce.

TO

Messrs J. W. Hedges & Co.,
Calcutta.

Very much obliged

Simla, dated 11th April 1878.

Gentlemen,

I am directed to acknowledge the receipt of your letter of the 26th ultimo, and in reply to state that application should be made to the Government of Madras and Bengal, for the Reports and specimens of Cinchona bark which you require.

2. Referring to the 2^d paragraph of your letter, I am to say that only the produce of the Nilgiri Cinchona Plantations is sent to England for sale, and that the produce of the ~~other~~ ^{other} Plantations is converted locally into a febrifuge. The policy of Government is not to sell the produce of their Plantations, but to utilize it for the preparation of a cheap febrifuge for the

the use of the people of India.

I have the

Calcutta and London.

Calcutta 26th March, 1878.

The Secretary to the Government of India,
Dept. of Revenue, Agriculture and Commerce

Sir,

As some of our constituents are taking
a considerable interest in Cinchona Bark,
we take the liberty of asking you whether
you can put us in the way of getting samples
from both the Nilgiri and Darjeeling Plan-
tations, and also if it is in your power to
lend us for a short time the Plantation
Reports on this article.

We are aware that the Bark is
always sold in London at the Public Sales,
but we should be glad to know whether
Government, would be prepared to sell
the total annual productions of their
Plantations to a buyer in Calcutta either
by Tender, or at an upset price to be
fixed periodically.

Apologising

Apologising for the trouble we
are giving you, and thanking you
in anticipation.

We have ~~recd~~
