No. 211. Proceedings of the Board of Revenue, dated 11th June 1878, No. 1,567.

Read the following letter from R. W. MORGAN, Esq., Deputy Conservator of Forests, North Coimbatore Division, to W. LOGAN, Esq., Collector of Malabar, dated Putty Valley, 17th May 1878, No. 161:—

In continuation of my letter, No. 48, dated 17th April 1878, I have the honor to report that I inspected General Morgan's new felling on the 12th instant. Some 25 acres have been felled. The situation of the felling is on the Manaar slopes, immediately overlooking the town. It is a very considerable distance from the camp at Putty Valley; in fact it took me over twelve hours to go there and return, and I only made a very short stay. It is therefore quite beyond the limits of the Attapadi Valley. On my way to the felling, I discovered that some eight or ten small trees had been felled by General Morgan's axemen for the purpose of hutting themselves temporarily. On speaking to Mr. Benson, the Superintendent in charge, about it, he informed me that the mischief had been committed without his knowledge or consent, and that he would be very careful that it should not occur ag[illegible]

Sir,

In continuation of my letter
new felling on the 12 instant. Some 25 acres
have been felled. The situation of the
felling is on the manaar slopes, immedia-
-tely overlooking the town. It is a very con-
-siderable distance from the camp at
Pantey Kulley, in fact it took me over 12
hours to go there and return, and I only
made a very short stay. It is therefore
quite beyond the limits of the Attapadi
Valley. On my way to the felling, I dis-
covered

vered that some 8 or 10 small trees had been
lled by General Morgan's overseer for
the purpose of hutting themselves tempo-
rarily: On speaking to Mr Benson, the
superintendent in charge, about it, he
informed me that the mischief had
been committed without his knowledge
consent, and that he would be very
careful that it should not occur again.
