GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

20th July 1878, No. 1,111.

Read the following paper :—

No. 219. Proceedings of the Board of Revenue, dated 4th July 1878, No. 1,857.

Read the following letter from G. A. PHIPPS, Esq., Superintendent of Pearl Banks, to J. B. PENNINGTON, Esq., Collector of Tinnevelly, dated Tuticorin, 1st June 1878, No. 5 :—

With reference to the Order* of Government, No. 734, dated 13th ultimo, I

* Herewith returned.

have the honor to inform you that the results of the attempts to rear pearl oysters in the nursery established in this harbour during the years 1865 and 1867 proved so very discouraging that I have not considered it advisable to submit any further proposals to form another at any other place. I am of opinion that it will be better to leave the restocking of the Pearl Banks entirely to nature. I beg to mention that the mud which gathered in the nursery was the primary cause of the failure of the costly experiment, and that there is no place on this coast where it is possible to form another where we should be free from this evil.

Sir,

With reference to your last remarks in the enclosed objectionable item slip, I have the honor to inform you that, as the work of constructing quarters for the Superintendent of Government Farms at Lydseputt was carried out to the full extent of the estimate during 1877-78 the Original appropriation of Rs. 15,000 made on that account was exceeded by Rs. 6,898 and a sum of Rs. 8940, being the balance of estimate, was applied for to supplement the original grant, as will be observed from my letter to Government No. 1360 dated 30th March 1878. Printed in P. W. D. G. O.

No. 1878 W. dated 17th April 1878. There was
no time however to make the allotment last year,
and it has been made this year. If as stated
by you the amount granted in G. O. No. 1161
dated 13th May 1878 is to be taken as an ap-
propriation for the current year there will be
no occasion for its expenditure this year, as the
work has already been completed while the
expenditure of Rs. 21898 on the work last year
would be only partially covered by the Origi-
nal grant of Rs. 15,000 above referred to.

I have &c.
