GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

20th July 1878, No. 1,124.

Read the following paper:—

No. 245. Endorsement of the Secretary to Government, Public Works Department, dated 12th July 1878, No. 3,089.

From Major L. CONWAY-GORDON, R.E., Examiner, Public Works Accounts, Madras, to Colonel E. A. FOORD, R.E., Secretary to Government, Public Works Department, Buildings and Roads Branch, dated Chepauk, 8th July 1878, No. 12-B.

I HAVE the honor to forward, herewith, copy of a letter from the Superintending Engineer, Chingleput, No. 2,361, dated the 1st July 1878, in which it will be seen that the sum of Rupees 6,940 appropriated in Government Order in the Revenue Department, No. 1,161, dated the 13th May 1878, for the quarters of the Superintendent of the Government Farm, Sydapett, was applied for to meet expenditure incurred on the work in 1877-78. As the appropriation was sanctioned in the current official year, and therefore cannot be utilised for that purpose, I shall be obliged by necessary measures being taken for the withdrawal of the above amount.

2. The excess outlay on the work was entered as Item No. 2 under irregularities in respect to appropriations in the Special Fund Statement of objectionable items for March 1878.

ENCLOSURE No. 1.

From Colonel P. O'CONNELL, R.E., Superintending Engineer, Chingleput, to Major L. CONWAY-GORDON, R.E., Examiner, Public Works Accounts, dated St. Thomas' Mount, 1st July 1878, No. 2,361.

WITH reference to your last remarks in the enclosed objectionable item slip, I have the honor to inform you that as the work of constructing quarters for the Superintendent of Government Farm at Sydapett was carried out to the full extent of the estimate during 1877-78, the original appropriation of Rupees 15,000 made on that account was exceeded by Rs. 6,898, and a sum of Rs. 6,940,* being the balance of

estimate, was applied for to supplement the original grant, as will be observed from my letter to Government, No. 1,360, dated 30th March 1878, printed in Public Works Department G.O., No. 1,879-W, dated 17th April 1878. There was no time, however, to make the allotment last year, and it has been made this year. If as stated by you the amount granted in G.O., No. 1,161, dated 13th May 1878, is to be taken as an appropriation for the current year, there will be no occasion for its expenditure this year, as the work has already been completed, while the expenditure of Rs. 21,898 on the work last year would be only partially covered by the original grant of Rs. 15,000 above referred to.

TRANSFERRED to the Revenue Department with the remark that the Examiner's proposal is in order.

(Signed) E. A. FOORD, Colonel, R.E.,
Secretary to Government, P.W.D.

during the years 1865 & 67 proved so very disastrous that I have not considered it advisable to submit any further proposals to form another at any other place. I am of opinion that it will be better to leave the restocking of the Pearl Banks entirely to nature. I beg to mention that the mud which gathered in the Nursery was the primary cause of the failure of the costly experiment & that there is no place on this Coast where it is possible to form another where we should be free from this evil.
