No. 249. Proceedings of the Board of Revenue, dated 10th July 1878, No. 1,922.

Read the following letter from Mr. J. R. E. STIMPSON, Public Works Inspector, 3rd Division, 1st Section South-West Line, Madras Railway, to E. W. STONEY, Esq., Resident Engineer, 3rd Division, South-West Line, dated Salem, 29th June 1878, No. 210:—

I beg to report that a flight of locusts passed over the ghaut from south-west to south-east this day at 6 P.M. while returning by 7 A.M. train. I met it at the 188th mile post; the flight was exactly fourteen telegraph posts broad and about two miles long. I enclose two locusts of different colors and the largest ones of the number I caught.

2. The flight looked like a dark cloud passing over the ghaut when seen from Shevaroy Hills.
