GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

22nd July 1878, No. 1,144.

Read the following paper :—

No. 285. Proceedings of the Board of Revenue, dated 15th July 1878, Miscellaneous No. 7,034.

Read the following letter from A. CRUICKSHANK, Esq., Acting Collector of South Arcot, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Cuddalore, 13th June 1878, No. 262 :—

In the village of Verayur in Trinomalai Taluq there was formed a Government tope of two acres in extent about the year 1872, and the Deputy Conservator of Forests had the supervision of it. There are at present 160 fruit and produce yielding trees in it. The trees are mango, athi, illuppei, guava, nagal, vemboo, and tamarind. The tope is situated near a Local Fund Choultry lately constructed on the Trikalore and Trinomalai road. A cooly gardener on 4 Rs. a month has been entertained for the last three years to watch and keep up the tope. The Deputy Conservator says that the soil is unfavorable to the growth of the trees now existing, that there have been no receipts from the tope, that probably the trees will not yield any crop, or even give much shade for several years to come; and, considering it injudicious to incur further expenditure on it, and seeing that a choultry has been built near the tope with a watchman to look after it, whose spare time could be well occupied by attending to the tope, strongly recommended the transfer of the tope to the Local Fund Board. The Board have no objection to making the chuttrum sweeper look after the tope, giving him an increase of pay, and under the circumstances stated I see no objection to the transfer of the tope to them. I have the honor, therefore, to request that the sanction of Government may be obtained to the proposed transfer. 81 Rs. were spent on account of the tope from November 1875 to the 31st January 1878, and the Deputy Conservator was not able to ascertain what it had cost prior to November 1875, but he estimates that it may have cost 150 Rs.

The proposed transfer of the tope at Verayur to the Local Fund Board of the Cuddalore Circle is submitted for the sanction of Government.

2. The tope was formed and maintained out of the Jungle Conservancy Fund of the district.

Sir,

In the village of Virayur in Tirumalai Taluk there was formed a Government tope of 2 acres in extent about the year 1872 and the Deputy Conservator of Forests had the supervision of it. There are at present 100 fruit and produce yielding trees in it. The trees are mango, athi, illuppi, guava, nabal, vembu and tamarind. The tope is situated near a Local Fund Choultry lately constructed on

on the Tikalre and Pinomalai roads.
 A cooly gardener on 4 Ruples a month = 48

 to watch and keep up the tope. The
 Deputy Conservator says that the soil is
 unfavorable to the growth of the trees
 now existing, that there have been no

 recommended the transfer of the tope to
 the Local Fund Board. The Board
 have no objection to making the chut-

 him an increase of pay, and under the
 circumstances

circumstances stated I see no objection to the
 transfer of the tope to them. I have the
