WITH reference to G.O., dated 7th ultimo, No. 358, I have the honor to request you will be good enough to let me know whether double batta is to be continued whenever my establishment travels in the Bhadrachellam, Rekapalli, and Rumpah tracts, or whether extra batta to establishment on duty in the said places was only allowed for the one time.

2. I see no reason why it should not be continued and why it should be given for that one time alone.

No. 290. ORDER THEREON, 23rd July 1878, No. 1,146.

Miscellaneous.

THE circumstances which gave rise to the present reference are narrated in G.Os., 16th June 1877 and 7th March 1878, Revenue Department, Nos. 2,003 and 358, respectively.

2. In the first of these orders it was ruled that a rate of batta equivalent to the extra pay drawn by the different grades of Police under G.O., 24th March 1871, should be drawn by the Collector's establishment for the number of days spent in the Bhadrachellam, Rekapalli, and Rumpah tracts during the particular tour, but subsequently the Government observed (in the second of the orders quoted) that in issuing the first order they were "under the erroneous impression that the special Police rates of hill pay afforded an appropriate basis for calculating batta sufficient to meet the increased cost of living and clothing while in the hilly country," and decided that a lump sum of Rs. 150 should be placed at the Collector's disposal for

distribution among the subordinates concerned in addition to the ordinary batta under the rules. The Government of India have sanctioned the allotment of the sum recommended.

3. The Collector now represents that there is no reason for limiting the extra batta to this one trip alone, and that there is every reason for continuing it.
4. The necessity for granting special rates of batta for Rumpah, Yernagudem Taluq, Jeypore Hills, Potinghi Ghauts and the Hill Tracts of Ganjam is admitted in the Government of India Resolutions, dated 23rd May 1876, No. 408, and 11th May 1878, No. 324, Financial Department, and the circumstances of the present case are similar.
5. His Grace the Governor in Council is satisfied that double extra tentage should be granted to the Collector (or other officer deputed on annual tour) and double batta to his establishment while travelling on duty in the tracts in question, and accordingly resolves that the necessary application be forwarded to the Government of India for sanction.
