GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

25th July 1878, No. 1,165.

Read the following paper :—

No. 327. Proceedings of the Board of Revenue, dated 24th June 1878, No. 1,728.

Read the following letter from the Accountant-General, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Fort St. George, 26th April 1878, No. 15,186 :—

THE undersigned has the honor to state that there is no objection to the proposal of the Board of Revenue referred to in paragraph 2 of the Proceedings if it is approved of by Government, as the charges are generally very unimportant. Those adjusted in the Civil Department have hitherto been debited to "Imperial Miscellaneous" (and not to "Land Revenue"), and the whole charges will, if the proposal be approved by Government, be similarly adjusted in future. It may be remarked that under the orders of the Government of India, No. 2,086, dated 30th of March 1872, these charges, which before the provincialisation scheme were taken to Imperial Miscellaneous, ought strictly speaking to have been treated as Provincial, as they were not included in those reserved as Imperial. As however a contrary practice has grown up, and has been recognized by the Comptroller-General, and the charges are not important, it is not worthwhile altering it.

(Signed) L. C. PROBYN,
Accountant-General.

SUBMITTED to Government with copy of Board's Proceedings, dated 4th April 1878, No. 927.

2. Under the circumstances stated, the Board consider that all charges incurred by the Revenue Department for clearing encamping grounds whether they fall short of 50 Rupees or exceed that limit should be debited to Imperial Miscellaneous and not to the Military Department, and the sanction of Government is requested to that course. The charges are generally very small in amount.

ENCLOSURE No. 1.

Proceedings of the Board of Revenue, dated 4th April 1878, No. 927.

Read the following letter from Brigadier-General H. O'CONNELL, Quartermaster-General, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Fort St. George, 28th February 1878, No. 1,469 :—

I HAVE the honor, by order of the Commander-in-Chief, to request you will bring to the notice of the Board of Revenue that there was some correspondence in November and December last between the Officer Commanding Northern District and the Collector of the Godavery District regarding some encamping-grounds which were found to be in a dirty and overgrown state when a detachment of the 7th Regiment Native Infantry was marching through the district.

2. The Collector of the district seems to have misapprehended the meaning of the letters addressed to him and states that he does not know what the Military authorities wish him to reply to. The only reply sought was to the effect that steps had been, or would be, taken to remedy the state of things brought to notice.

3. The Commander-in-Chief is unwilling to trouble Government on the subject as he believes the matter can be set to rights by the Collector being informed that His Excellency will be glad to learn that the encamping-grounds have been cleared up and put in good order.

4. In addition to the above the Collector of Vizagapatam asks the Officer Commanding Northern District to furnish him with funds to the extent of Rupees 66-4-0 for the removal and destruction of prickly-pear at Kasimkota encamping-ground. I am directed to inquire whether this charge cannot be met by the Collector and charged in his accounts as similar items have hitherto been done.

COMMUNICATED to the Collectors of Godavery and Vizagapatam with the request that they will cause the encamping-grounds referred to to be cleared at once and report having done so to this office.

2. The practice followed hitherto appears to have been to debit the charges incurred on account of clearing encamping-grounds to the Revenue Department when the cost is less than 50 Rupees, but to apply to the Military authorities when it exceeds that limit, with reference to paragraph 51, page 97, of the Accountant-General's Manual. The Board, however, see no objection to the debit to the Revenue Department of all charges for clearing encamping-grounds, and the Accountant-General will favor the Board with his opinion as to whether there is any obstacle to such an arrangement.
