Civil Works.

Read the following paper :—

No. 261. From Major J. W. HINDLE, District Engineer, Kurnool, to the Chief Engineer, Public Works Department, dated Kurnool, 8th April 1878, No. 6-72.

In continuation of my letter, No. 187-3,493, dated 1st March 1878, soliciting an additional allotment of Rupees 3,500 to meet the final payment for the Collector's new cutcherry at Kurnool, I have the honor to forward a comparative statement showing the difference between the sanctioned* estimate and work actually executed on the construction of the above cutcherry.

* In G.O. No. 1,249 of 4th May 1875.

2. It will be seen that the net excess over the estimate is Rupees 3,086-13-10, which is due to the higher rate of 25 per cent. paid during the famine under the authority conveyed in G.O., No. 622 W, dated 21st August 1877, and also to some clerical mistakes in the original estimate as explained in the statement.

3. The allotments granted stand as follow :—

	Rs.	Rs.
Amount of sanctioned estimate	...	29,800
Grant for 1875-76	5,000	
Do. for 1876-77	14,400	
Do. for 1876-77	10,000	
Do. for 1877-78	———	29,400
	Balance of estimate ...	400
Add net increase over the estimate		3,087
Add unspent balance of allotment for 1877-78		48
	Total allotment now required ...	3,535

4. I trust this will receive your early sanction.

No. 262. ORDER THEREON, 24th April 1878, No. 1,947 W.

UNDER the explanation afforded by revised estimate of Rupees 32,862, for constructing a new and improving the existing Collector's Cutcherry at Kurnool, is sanctioned.

2. Rupees 29,352 having been spent on the work up to the end of March 1878, Rupees 510 remain to be provided in 1878-79.

3. This amount is accordingly appropriated from the Provincial Reserve of the current year.

2 PUBLIC WORKS DEPARTMENT, 26TH APRIL 1878, No. 1,847 W.

4. This sanction has been registered as Provincial No. 9 B of 1878-79.
