PROCEEDINGS of the MADRAS GOVERNMENT.

READ the following ~~letter~~ Papers:-

Letter from the Under Secretary to the Government of India, Dept. of Revenue, Agriculture and Commerce, dated Simla 11th May 1877, No. 386.

In acknowledging receipt of your letter, No. 556, dated the 23rd ultimo in which it is stated that the small medicine chest applied for by the Government of Madras is required to enable the Principal Medical Storekeeper to have chests of a similar description made up: I am directed to say that when the Government of India decided to issue a medicine chest to accompany the 1st Edition of Dr Moore's Manual of Family Medicine, the several Local

Government

governments be consulted and it was ascertained that the cost of the chest if made in India would far exceed that at which it could be obtained from England, and the government of Madras will probably find that chests of a description similar to those now sent out cannot be made so cheaply in this country as they can be obtained from England.

Letter from the Surgeon Gal, Indian Medical Department, to the Chief Secretary to Government, Public Department, dated 8th June 1877, No. 357.

In returning the letter of the Government of India, referred with your endorsement, No. 1110 of the 24th Ultimo, I have the honor to request that His Grace the Governor-in-Council may be pleased to procure a specimen of Moore's Family Medicine chest from Bengal to enable the Principal Medical Storekeeper to determine at what cost they can be supplied locally.
