GOVERNMENT OF MADRAS.

POLITICAL DEPARTMENT.

3rd January 1879, No. 2.

Boundaries.

Read the following paper :—

No. 1. *From W. S. FOSTER, Esq., Collector of the Godavery District, to the Chief Secretary to Government, dated Cocanada, 21st December* 1877, *No.* 50.

In accordance with the instructions contained in G.O., dated 6th instant, No. 678, I have the honor to report that I intend proceeding to the Badrachellum and Rekapilli Taluqs about the end of January next for the settlement of the boundary dispute between the British and Bustar territories. I think it will take about three months to complete the work. I have asked the District Engineer to let me know if he can spare the services of a Surveyor. If he says he cannot, I shall ask Government to send one from Madras.

2. The disputed boundary extends over a space of about 40 miles from the village of Kollar, situated on the northern extremity of the Rekapilli Taluq to Chintaguppa. It is desirable that permanent boundary marks should be put immediately after the line is marked out by me. A sum of about 1,000 Rupees will be required for the purpose (I have no means of making an accurate estimate). I think the Rajah of Bustar should be asked to contribute half of the cost, as it is he that claims a portion of the land in dispute.

3. I request that Government will be pleased to sanction the above amount.

No. 2. ORDER THEREON, 3rd January 1878, No. 2.

The Government sanction the erection of permanent boundary stones at the estimated cost. When the entire outlay is known, application will be made to the Government of India to recover a moiety from the Bustar feudatory state.
