GOVERNMENT OF MADRAS.  
REVENUE DEPARTMENT.

17th January 1879. No. 119.

Read the following paper:—

No. 305. Proceedings of the Board of Revenue, dated 21st December 1878, No. 3,502.

Read the following letter from L. C. P. BYN, Esq., Accountant-General, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Fort St. George, 11th December 1878. No. 6,809:—

WITH reference to the Proceedings of Government in the Revenue Department, No. 1,625, dated the 8th October last, I have the honor to request that you will be good enough to inform me before the coming Christmas vacation what sums have to be excluded under paragraph 2 of that order, and the figures set down against each district in Board's Proceedings, No. 2,028, dated 20th July 1878.

2. I have no doubt that due consideration has been given to the effect of the change made in the Tinnevely District in the preparation of the Board's Regular Estimate of Land Revenue for the current year as well as in the ensuing year's budget. As regards the other districts I presume the change will not take effect till the commencement of the next official year.

3. I take this opportunity to request that the Board's estimate of Land Revenue receipts may be accompanied with a statement giving details of the expected receipts under the minor head "Miscellaneous;" this information being necessary for entry in the consolidated estimate which this office has to submit. You will please note this request as applicable to your future estimates also.

THE lists printed with G.O., dated 8th October 1878, No. 1,625, do not in every case specify the conditions of the grant, and it is not therefore possible to state the exact sums which are payable for purposes other than religious service, and which have therefore to be excluded from the amounts entered in Board's Proceedings, dated 20th July 1878, No. 2,028. It does not appear, however, that many such allowances have been included, and their total sum probably does not exceed Rupees 20,000 at the outside.

2. In Tinnevely the system of beriz deductions was introduced early in Fashi 1287 (1877-78), and this fact has been taken into consideration in estimating the receipts of that district for the current and next year.

3. The Board have recently ordered\* that effect should be given to G.O., dated 8th October 1878, in other districts also; but as this must be done in consultation with the parties concerned, and as the Collectors have been requested to report all doubtful cases for orders, the Board are not at present in a position to say to what extent the arrangements will be completed in the ensuing year, and by how much the Land Revenue receipts will be affected.

Under these circumstances, it seems to be best to provide for these charges for 1879-80 also as usual, though the full amount may not be required. The Board have in their budget of receipts estimated the Land Revenue irrespective of the beriz deductions to be granted in lieu of cash payments.

JANUARY 1879, No. 119.

4. A statement showing district for 1879-80 is herewith the total estimate which may be Revenue other than Miscellaneous, with similar information in future

(A tr

of Land Revenue Miscellaneous in each district. The difference between this amount and that by Government should be taken as Land Revenue as requested by the Accountant-General's request to be furnished.

Accountant General

The lists printed with G.O. dated 8<sup>th</sup> October 1878 N<sup>o</sup> 1625 do not in every case specify the conditions of the grant, and it is not therefore possible to state the exact sums which are payable for purposes other than religious service and which have therefore to be excluded from

from the amounts entered in Board's Proceedings dated 1<sup>st</sup> July 1878 N<sup>o</sup> 2028. It does not appear however that many such allowances have been included and their total sum probably does not exceed Rs 20000 at the outside.

2. In India the system of Berig deductions was introduced early in 1841 and this fact has been taken into consideration, in estimating the receipts of that District for the current and next year.

3. The Board have recently ordered that effect should be given to G.O. dated 8<sup>th</sup> October 1878 in other districts also, but as this must be done in consultation with the parties concerned, and as the Collectors have been requested to report all doubtful cases for orders, the Board are not at present in a position to say to what extent the arrangements will be completed in the ensuing year and by how much the Land revenue receipts will be affected.

Under the circumstances, it seems

Board's Proc. 21

seems to be best to provide for these charges for 1879/80 also, unusual though the full amount may be required.

The Board have in their Budget of Receipts estimated the Land revenue in respect of the Berig deductions to be set off in lieu of Cash payments.

A statement showing the details of Land Revenue & Miscellaneous in each District for 1879/80 is now with forwarded.

The difference between this amount and the total estimate which may be sanctioned by Government should be taken as Land Revenue other than Miscellaneous. The Accountant General's request to be furnished with similar information in future will be noted.
