Proceedings of the Board of Revenue

Date 10<sup>th</sup> Jan<sup>y</sup> 1878.

Read the following:—

No. 2.

From A. Middleton Esq.

Collector of  
Conjebatoe

To J. S. McKee Esq.

Secretary to the  
Board of Revenue  
Madras.

Sir,

I have the honor to request to be supplied with an improved wheat seed, say 100 lbs, if any is now procurable, at the Govt. Farm.— this being the season for sowing.

2. I have also to suggest that notice of the receipt of any improved seed for cultivation, may be circulated, in order that advantage may be taken, before the season passes away, and seed becomes deteriorated.

3. As this Municipality has about 50 acres of land it affords a good opportunity for trying improved seed under proper supervision.
