REVENUE DEPARTMENT.

3rd August 1878, No. 1,233.

Read the following paper :—

No. 47. Proceedings of the Board of Revenue, dated 16th July 1878, Miscellaneous No. 7,056.

Read the following letter from W. R. ROBERTSON, Esq., M.R.A.C., Superintendent, Government Farms, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Sydapet, 10th June 1878, No. 528.

I HAVE the honor to submit, in duplicate, an annual indent for books for the Agricultural College. The cost can be met from the sanctioned Budget Allotment "Books, Stationery, &c.," under "Educational (Agricultural College)."

SUBMITTED for the sanction of Government. With reference to G.O., dated 7th March 1878, No. 549, and G.O., dated 8th May 1878, No. 1,154, the Board would suggest that a contract might be entered into with some local firm for the supply of books and periodicals from England.

2. From the papers recorded with G.O., dated 19th March 1878, No. 715, the Board observe that Messrs. Thacker, Spink, and Co., have agreed to supply the Government of India with periodicals at the London published price *plus* postage payable at an exchange of 15s. 8¾*d.* This, however, seems a high rate, seeing that several well-known booksellers in London give a discount of 2*d.* in the shilling on the published price.

Acting Sub-Secretary.

No. 48. ORDER THEREON, 3rd August 1878, No. 1,233.

Miscellaneous.

OF the books required for the Agricultural College those published out of India will in future be procured through the Government Book Department, which has recently* been permitted to get its supplies from a London firm. Books published in India may be obtained by the Superintendent, Government Farms, through local agency. A copy of "Drury's useful plants of India" will be supplied from the Government Office.
