GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

5th August 1878, No. 1,237.

Read the following paper:—

No. 55. Proceedings of the Board of Revenue, dated 25th July 1878, No. 2,066.

Read the following:—

Extract from the Diary of the Acting Tahsildar of Oosoor Taluq for the week ending with 14th July 1878.

While at Biramungalam at about 8 A.M., Sunday morning, a swarm of locusts, reported to have come via Achettipulli (where it did not alight on crops) from the Mysore villages, visited the village, and, before they began descending on the flourishing young cumboo about the village, the ryots, at my suggestion, succeeded in dispersing and driving them away, a few men standing on each field burning torches and producing smoke by burning gunpowder. The insects thence flew away in an easterly direction across the hills towards Tiarnadurgam and Oddanahalli, and a portion of the swarm towards Kelamungalam. Except a few half-grown early cumboo (between Aggondapulli and Kargondapulli, through which the swarm passed), of which stalks were broken by the insects sitting on them by hundreds, there has been no destruction by the insects, the ryots having been on the alert.
