GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

26th April 1878, F.R. No. 984.

Famine Relief.

Read the following paper:—

No. 389. Proceedings of the Board of Revenue, dated 28th March 1878, Miscellaneous No. 3,183.

Read the following letter from C. T. LONGLEY, Esq., Collector of Salem, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Salem, 21st March 1878, S.N. No. 112-4,036:—

In G.O., No. 333, dated 2nd instant, Revenue Department, Government on my recommendation supported by the Board sanctioned the retention of the services of P. T. Rajagopala Chariar as Special Deputy Collector for purposes of Jamabandi. When I made the recommendation, I was under the apprehension that his services as Famine Deputy Collector could be dispensed with before the Jamabandi of the district could be completed, and that in a such a case a fresh sanction would have to be obtained for his retention in connection with the Jama-bandi. But from the changes which have since taken place in the prospects of the season, I shall require his services up to the close of relief operations. From the accompanying copy of the Accountant-General's letter Rajagopala Chariar's pay from the date he is employed on Jamabandi is to be debited to "Land Revenue" instead of to Famine Funds. I have the honor, therefore, to request sanction to retain Rajagopala Chariar for famine duty after the Jamabandi, and I further request the Board will be pleased to move Government to instruct the Accountant-General not to include Rajagopala Chariar's pay in the special sanction for Jama-bandi, but to debit the same to Famine as usual. I may add that Rajagopala Chariar is the best native officer I have, and has done excellent work during the last eighteen months.

SUBMITTED for the orders of Government.

2. The Board support the Collector's application.
