GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

7th August 1883, No. 1,257.

Read the following paper:—

No. 96. From W. DONALD, Esq., Officiating Accountant-General, Madras,
to C. G. MASTER, Esq., Secretary to Government, Revenue Department,
dated Fort St. George, 22nd July 1878, No. 4,840.

With reference to G.O., No. 952, dated the 24th June 1878, I have the honor to state that members of the Central Survey Office establishment are allowed, on return to their head-quarters, three-tenths batta for the period they have been on circuit, which does not extend beyond a few weeks at a time.

2. In the present case, Mr. Fraser has been absent with the Godavery Survey Party since September 1877, and Rs. 90 monthly were drawn for him by the Superintendent continuously up to 31st March last, (after which, though claimed, it has been objected to), as the Superintendent apparently considers the Central Office and not the station of the Godavery Party, to be Mr. Fraser's head-quarters. He was accordingly viewed by this office as an officer deputed on special duty, and as extra charge was entailed on the State by his deputation, Government of India sanction was deemed necessary.

3. Should Government, however, consider Mr. Fraser to have been posted to the Godavery Survey Party in the same manner as an officer transferred from one appointment to another, he will be entitled to travelling allowance from the Central Office to Godavery, and three-tenths batta for the period during which he may have been on field duty beyond five miles from the head-quarters' station of the Godavery Survey Party. In this case his pay should be drawn in the abstract of the Godavery Survey Party instead of in that of the Central Office.

4. Government will observe that the Bengal rates of travelling allowances were sanctioned by Government of India, dated 21st May 1877, No. 313, Revenue, &c., Departments, to the sixteen officers only, and therefore their sanction is required before the allowances sanctioned by Rule III can be admitted to Mr. Fraser, and even then he can draw them only on the same conditions as he would otherwise be allowed batta, i.e., while absent from Godavery head-quarters beyond five miles.

No. 97. ORDER THEREON, 7th August 1878, No. 1,257.

Miscellaneous.

MR. FRASER will be considered to have been posted to the Godavery and will draw pay, travelling allowance, and

batta in the manner indicated in paragraph 3 of the foregoing letter.
Bengal rates of travelling allowance are not admissible in the case of Civil Assistants.

2. In future when it is desired to employ a Civil Assistant away from the Central Office in a quasi-permanent appointment, he should be regularly posted to some Party and his transfer be reported by the approval and sanction of Government.
