GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

18th January 1879, No. 127.

Read the following paper:—

No. 321. From Lieut.-Colonel A. DE C. SCOTT, R.E., Superintendent, Revenue Survey, to H. S. THOMAS, Esq., Acting Secretary to Government, Revenue Department, dated Chepauk, 17th December 1878, No. 4,274-195.

With reference to G.O., No. 1,908, of the 23rd ultimo, regarding the supply of maps to the Secretary of State, I have the honor to request you will inform me, if it is meant that ten copies of each of the 40,000 village maps in the Presidency should be sent. These maps, I should mention, will be contained in about 160,000 sheets of Double Elephant size, and if ten copies are sent, space will have to be provided for 1,600,000 sheets.

2. I beg further to state that only thirty-two copies of each village map are at present printed, of which seven are supplied to the Settlement Department and twenty-three to the Collector of the district for sale to the public and for supplying the Public Works and other departments which may require maps for Government purpose.

3. Under the above circumstances, it will probably be considered sufficient if one or, at most, two copies are sent to the Secretary of State.

No. 322. ORDER THEREON, 18th January 1879, No. 127.

Miscellaneous.

ORDERED that the Superintendent of Revenue Survey be informed that no village maps are required to be sent to the Secretary of State, and that copy of these Proceedings be forwarded to His Lordship for information.

I don't think they know what
they are asking for. I think maps can
be of no use to them in England & the
rest of our copy with the above expla-
nation will satisfy them of this.
