SIR,—Adverting to the latter part of paragraph 2 of your letter, dated 20th June 1878, No. 70, I am directed, in forwarding the marginally-noted Proceedings of Government, to request that instructions may be issued as to the mode in which Mr. Smyth's "actual travelling expenses" should be calculated.

2. It will be observed that Mr. Smyth's first question relates to the expenses which he may charge during the period he is on duty in the Wynaad and his third to the purchase of ponies required to carry him and his Assistant to and about that district.

3. This Government were of opinion that, in the circumstances, a fixed daily allowance of Rs. 10 should be assigned to Mr. Smyth to cover all travelling expenses which he might incur while in the Wynaad, and which may be difficult of precise definition in such a locality. The Accountant-General is of the same opinion. I am accordingly to solicit sanction for this arrangement. It might be granted from date of departure from Ootacamund (31st July), and if given no separate grant need be made for the purchase of ponies as the allowance would suffice to cover the outlay necessary to enable Mr. Smyth to prosecute his journey.

I have the honor to be,

Sir,

Your most obedient servant,

(Signed) C. G. MASTER,
Secretary to Government.
