THE foregoing letters relate to the stamp duty in pauper suits recoverable by Government under Section 309 of the old Civil Procedure Code during the year 1876.

2. The amount due at the commencement of the year was Rupees 28,285-0-11, and to this was added Rupees 35,127 under decrees passed within the year. The total amount realizable within the year thus amounted to Rupees 63,412-1-9, of which Rupees 10,941-1-3 were collected and remitted during the year, leaving a balance of Rupees 52,471-0-6. Of this, Rupees 16,687-7-9 are recommended to be written off the accounts—Rupees 16,597-7-9 because the parties concerned are poor and have no property, and Rupees 90 in Malabar because the original decree was reversed, and no allusion was made to the stamp duty in the decree passed when the suit was re-heard. The Board consider that the amount may be written off as recommended.

8. The subjoined statement shows the amount to be written off in each district and the amount still remaining to be recovered :—

4. The Collector of Madura enters* the balance after deducting the amount collected and the recoverable arrears as Rupees 650, while it ought to be Rupees [illegible] due on account the balance (Rupees 69-8-0) due at the commencement of the year. The Board have added the difference to the recoverable balance which in that district will accordingly be Rs. 551-10-0 instead of Rupees 482-2-0 given by the Collector. The necessary correction should be made by the Collector in the office copy of the return.
