Miscellaneous.

SIR,—With reference to the latter part of paragraph 2 of my letter, dated 12th June 1878, No. 897, I am directed to forward the accompanying Proceedings of the Board of Revenue, dated 1st May 1877, No. 2,015,* and 11th June 1878, No. 1,551†, the latter giving cover to a statement, embodying information on the several points indicated in paragraph 5 of the Proceedings of the Government of India of 14th March 1877, No. 1-39, respecting the cultivation of Wheat in the Madras Presidency.

2. In the Proceedings above quoted the Government of India asked for suggestions from local Governments "with a view to the further development and improvement of the trade" in Wheat. No remarks on these points seem called for from this Government as the Board's communication of 11th June 1878, now sent, shows that the cultivation of, and export trade in, Wheat in this Presidency are very limited. The Madras Chamber of Commerce also say that it is out of their power to contribute to the desired information. Their letter on the subject, dated 16th May 1877,‡ is enclosed.

I have the honor to be,
Sir,
Your most obedient servant,

(Signed) C. G. MASTER,
Secretary to Government.
