GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

17th August 1878, No. 1,330.

Read the following papers :—

No. 238. Proceedings of the Board of Revenue, dated 10th July 1878, Miscellaneous No. 6,843.

Read the following letter from MAHOMED AZEEM GATTALA SAHIB, Deputy Collector, in charge Kurnool Forests, to C. S. CROLE, Esq., Acting Collector, Kurnool, dated Sirwell,——June 1878, No. 117 :—

In reply to your docket, No. 698, dated 18th instant, I have the honor to state that I examine and check Rangers' diaries and reports, give instructions to the Rangers about their working in the ranges, decide appeals, closely supervise all Forest subordinates generally, keep a sharp eye over the proceedings of village authorities who have to deal with forest accounts, and audit and compile those accounts with the usual office work, and afford facilities to the public for obtaining tickets and licenses. Accounts received from Tahsildars are audited, compiled and general statements prepared and forwarded punctually.

2. As regards your instructions to forward the diaries, &c., weekly, I beg to state that it was hitherto customary in this division for the Rangers to send their diaries and reports monthly, and those that were sent for last month were forwarded to the Conservator of Forests. Diaries for current month shall be submitted for your perusal immediately on receipt.

3. I take this opportunity of respectfully requesting you to kindly recommend to Government to sanction the allowance of Rs. 150 which Mr. Brougham would have drawn monthly had he been in charge, but which now is a saving to Government. As you are aware I have already been in charge of this office for more than a month, and if no one be appointed to act during Mr. Brougham's absence on three months' leave, and if I am to continue to discharge his duties for such a long period in addition to my own without getting any allowance, it would be rather hard case for me. Timber theft is very rife, and unless a close supervision is exercised much loss would be caused to Government. I have just commenced the inspection of Forest Tannahs of Sirwell Taluk, and this additional travelling I trust may be remunerated by the grant of the fixed allowance sanctioned to Deputy Conservator of Forests.

FOR ORDERS.

The Collector of Kurnool & the Conservator of Forests support the application made by one of the Executive Deputy Collectors in Kurnool who is in charge of Kurnool Forests for the travelling allowance of Rs 150 per mensem which Mr Brougham has drawn but he not been absent on privilege leave.

Mr Brougham took leave on Rs per Government

7 June 1878

10 July 1878

& Khurnool. Col. Beddome proposed & put substantive Mahomed Ali in charge & let him draw this very allowance but the G of I considered this Officer's deputation unnecessary and that for the short period the Rangers ought to be able to carry on.

At the same time a d.o. went to the Collector to tell him to keep an eye on the Department

I do not admit the Collr's power to suspend Pay & Allowances of Police Officers

If the Govt are inclined to admit it perhaps the Accountant General should be asked for his remarks.

If the Government think proper to allow Mr Bourchier to draw this allowance I do not dissent but I submit the Govt's Resolution ought to specify the duties & powers to be exercised by him & that he draw Rs. 100 monthly not Rs. 200
