No. 179. ORDER THEREON, 26th December 1877, No. 2957.

With reference to an Order in the Pension Department, dated 19th September 1876, No. 563, remarking on the practice which obtained of entering up the Service Books of servants only a few months or so before they retire from the Government service, all Heads of Departments were called upon in Order, No. 1122, dated the 9th October, to report whether *employés* in their respective departments had provided themselves with the service books required by Section 69 of the Pension Code.

2. It appears from the replies above recorded that with some exceptions the servants in the several departments have been supplied with service books, and that steps were taken to supply books to those who had none.

3. The Governor in Council is of opinion that to ensure the service books being properly kept up, the Chief Subordinate in every office should be required to report to the Head of the Office at the close of each year whether the books of the several servants are correctly written up to date or not.
