GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

30th August 1878, No. 1,378.

Read the following papers:—

No. 337. Proceedings of the Board of Revenue, dated 8th June 1878, No. 1,530.

Read again Board's Proceedings, dated 24th April 1878, No. 1,103.

Read the following letters:—

From C. S. CROLE, Esq., Acting Collector of Kurnool, to C. A. GALTON, Esq.,  
Acting Secretary to the Board of Revenue, dated 17th May 1878,  
No. 200:—.

With reference to Board's Proceedings, dated 24th ultimo, No. 1,103, I have the honor to report that the Tahsildar of Ramalakota never once examined his treasury from the 26th July 1877 up to 29th December, the date the deficit of Rupees 249 and odd was discovered. The excuse given for this failure to do his duty is that he was engaged on famine work and had no time to examine the treasury. This excuse, however, cannot be admitted, especially as the Tahsildar was continually at head-quarters during the latter half of November and the whole of December 1877.

2. The Tahsildar's neglect cannot but have contributed largely to laxity on the Sheristadar's part.

3. The Taluk Sheristadar explains that his failure to examine the cash balance from the 23rd to 29th December 1877 was due to his inability to close the transactions of any one of the intervening days, either on the same or even following day, in consequence of the incessant remittances into the treasury throughout the day from the sale proceeds of grain at Kurnool depôt, which kept the taluk establishment working till late at night counting and assorting coins which were sent mixed up from the depôt.

4. This excuse, although not quite so lame as that offered by the Tahsildar, cannot be admitted as relieving the Sheristadar of responsibility. The Taluk Sheristadar was bound to close his chitta every day, and to examine his cash balance, however late the hour. As he failed to do so, he must take the consequences.

5. With regard to the acting Shroff, I beg to state that he was not put in by Mr. Davidson on the responsibility of the permanent Shroff. The permanent Shroff having died, the acting man was temporarily put in till a new man, who was appointed to the post but was employed on other duty, could join. As the arrangement was a temporary one, intended to last for a short time only, no security was taken from the acting Shroff.

6. However, as the Board observe, the Shroff can only be held responsible for over-payments during the day, and under the circumstances now brought to notice we have clearly no hold over the man.

7. Laxity in treasury matters has been very great in Kurnool. It will be impossible to check it unless responsibility is enforced. I have therefore the honor to recommend that the deficit of Rupees 249-15-4 be recovered from the Tahsildar and Taluk Sheristadar in equal shares.

From the same Officer, dated Kurnool, 22nd May 1878, No. 207.

In continuation of my letter, dated 17th instant, No. 200, I have the honor to forward for the consideration of the Board copy of a petition, since received, from Pundita Kristna Row, Tahsildar of Ramalakota.

ENCLOSURE No. 1.—Copy of Petition.

ENCLOSURE No. 2.—Copies of Testimonials.

THE Board consider that the Tahsildar has made out a strong case for indulgent consideration; he appears to have worked hard and to have been prevented by other duties from attending to the treasury work; it seems unnecessary therefore to inflict any penalty upon him. The case is different as regards the Sheristadar, the plea advanced by him not justifying his being relieved of all responsibility; the Board resolve to direct the levy of a fine of Rupees 60 equivalent to a month's pay, and request the Government to authorize the balance, Rupees 189-15-4, being written off the accounts.

No. 338. Proceedings of the Board of Revenue, dated 2nd July 1878,  
Miscellaneous No. 6,494.

Read Official Memorandum from the Secretary to Government, Revenue Department, dated 25th June 1878, No. 133.

ABSTRACT.—Requesting Board to communicate the names of the officials other than the Tahsildar of Ramalakota, P. Krishna Row, referred to in connection with the defalcation discovered in Ramalakota treasury, and to state whether the Taluk Sheristadar is the man whose carelessness in a similar post in Koilkuntla was commented upon in G.O., 3rd August 1877, No. 2,436.

REFERRED to the Collector of Kurnool for report.

2. From the annual lists of Establishments in the Revenue Department, it seems that the present Taluk Sheristadar of Ramalakota is the man referred to in the previous defalcation case, viz., B. Venkata Row.

No. 339. Proceedings of the Board of Revenue, dated 20th July 1878,  
Miscellaneous No. 7,247.

Read the following letter from C. S. CROLE, Esq., Acting Collector of Kurnool, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated 9th July 1878, No. 261.

With reference to the Proceedings of the Board of Revenue, dated 2nd instant, Miscellaneous No. 6,494, I have the honor to state that the officials referred to in Board's Proceedings of the 8th instant, No. 1,530, other than P. Krishna Row, Tahsildar of Ramalakota, are B. Venkata Row, Taluk Sheristadar, and Y. Maddayab,

Acting Shroff. The latter, as already stated, was temporarily put in till a new man who was appointed to the post, but was employed on other duty, could join. He is not now in Government employ.

2. As stated in paragraph 2 of the Board's Proceedings under reply B. Venkata Row is the Taluk Sheristadar whose carelessness was commented upon in G.O., 3rd August 1877, No. 2,436, in a defalcation case which occurred in the Koilkuntla Taluk while he was Sheristadar there. He has been ordered to retire on account of his old age and infirmity, being more than 55 years of age.

SUBMITTED to Government with reference to Official Memorandum, dated 25th June 1878, No. 133.

Acting Secretary.

No. 340.

ORDER THEREON, 30th August 1878, No. 1,378.

Miscellaneous.

HIS GRACE the Governor in Council is of opinion that the Board's recommendation in this case is not altogether suitable, adverting to the fact that the Taluk Sheristadar B. Venkata Row was found to blame in a previous case of defalcation of Government money; nor does it appear right that the Tahsildar should be freed from all responsibility.

2. The Sheristadar will be required to pay Rs. 80 and the Tahsildar will make good Rs. 50. The balance may be written off.

3. The Government note that B. Venkata Row has been directed to retire at once which obviates the necessity for further orders about him.

4. In many instances there were no regular advices sent to the treasury. Large sums of money were daily being received on account of the sale of Government rice, and it was the custom to count them on arrival, or as soon after as possible, and make out a list of the amount and the coins; this list was then signed by the Deputy Tahsildar or Sheristadar, and the amount credited in the accounts.

6. The Taluq Sheristadar is not altogether free from blame in this matter ; it was his duty to have examined the cash balance daily and certify to its correctness.

7. There is, however, considerable excuse to be made for the Sheristadar at the taluq establishment as they were no doubt overworked; money was pouring daily from the grain stores, and the coins were all mixed just as they had been paid in, so that the time of the taluq office was taken up in sorting and counting the money. I am informed that often the treasury was not closed until 1 o'clock at night. Under these circumstances it is not a matter of surprise that mistakes occurred.

8. I may add that the Shroff, who is generally held responsible for the correctness of the amounts received and paid, was a young inexperienced man, put in to act during the temporary absence of the permanent Shroff. No security was taken from him.

THE deficit must be made good by the officials responsible for the correctness of the cash balance, and the Collector will consider and report in what proportions each should bear the loss. The Taluq Sheristadar is clearly responsible as he failed to examine the balance from the 23rd to 29th December, whereas he should have done so daily. The Tahsildar should have examined the balance at least twice a month; it is not stated whether he duly performed this duty, if not, he also is responsible. The Shroff is only responsible for overpayments during the day, and as the deficit was not discovered on the day of payment, as it should have been, if the cash balance had been properly verified, he cannot be called upon to share the loss. It is presumed that the acting Shroff was put in on the responsibility of the permanent incumbent, as it is stated that no security was taken from him.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 8th June 1878.

Read again Board's Proceedings, dated 24th April 1878, No. 1,103.

Read the following letters:—

From C. S. CROLE, Esq., Acting Collector of Kurnool, to C. A. GALTON, Esq.,  
Acting Secretary to the Board of Revenue, dated 17th May 1878,  
No. 200:—

With reference to Board's Proceedings, dated 24th ultimo, No. 1,103, I have the honor to report that the Tahsildar of Ramalakota never once examined his treasury from the 26th July 1877 up to 29th December, the date the deficit of Rupees 249 and odd was discovered. The excuse given for this failure to do his duty is that he was engaged on famine work and had no time to examine the treasury. This excuse, however, cannot be admitted, especially as the Tahsildar was continually at head-quarters during the latter half of November and the whole of December 1877.

2. The Tahsildar's neglect cannot but have contributed largely to laxity on the Sheristadar's part.

3. The Taluq Sheristadar explains that his failure to examine the cash balance from the 23rd to 29th December 1877 was due to his inability to close the transactions of any one of the intervening days, either on the same or even following day, in consequence of the incessant remittances into the treasury throughout the day from the sale proceeds of grain at Kurnool depôt, which kept the taluq establishment working till late at night counting and assorting coins which were sent mixed up from the depôt.

4. This excuse, although not quite so lame as that offered by the Tahsildar, cannot be admitted as relieving the Sheristadar of responsibility. The Taluq Sheristadar was bound to close his chitta every day, and to examine his cash balance, however late the hour. As he failed to do so, he must take the consequences.

5. With regard to the acting Shroff, I beg to state that he was not put in by Mr. Davidson on the responsibility of the permanent Shroff. The permanent Shroff having died, the acting man was temporarily put in till a new man, who was appointed to the post but was employed on other duty, could join. As the arrangement was a temporary one, intended to last for a short time only, no security was taken from the acting Shroff.

6. However, as the Board observe, the Shroff can only be held responsible for over-payments during the day, and under the circumstances now brought to notice we have clearly no hold over the man.

7. Laxity in treasury matters has been very great in Kurnool. It will be impossible to check it unless responsibility is enforced. I have therefore the honor to recommend that the deficit of Rupees 249-15-4 be recovered from the Tahsildar and Taluq Sheristadar in equal shares.

From the same Officer, dated Kurnool, 22nd May 1878, No. 207.

In continuation of my letter, dated 17th instant, No. 200, I have the honor to forward for the consideration of the Board copy of a petition, since received, from Pandita Kristna Row, Tahsildar of Ramalakota.

duties from attending to the treasury work; it seems unnecessary therefore to inflict any penalty upon him. The case is different as regards the Sheristadar, the plea advanced by him not justifying his being relieved of all responsibility; the Board resolve to direct the levy of a fine of Rupees 60 equivalent to a month's pay, and request the Government to authorize the balance, Rupees 189-15-4, being written off the accounts.
