Read also the following paper :—

No. 345. From J. G. HORSFALL, Esq, Acting Collector, Kistna District, to the Secretary to Government, Revenue Department, dated Masulipatam, 9th January 1879, No. 25.

I HAVE the honor to reply to G.O., (H line), No. 2,532, December 16th, 1878.

2. The Guntoor Relief Hospital is referred to in the following Government Orders :—No. 1,144, March 19th, 1877; N 1,368, April 7th, 1877; No. 2,549-A, August 21st, 1877. Early in the year it was found necessary to arrange for the reception of the famine-stricken sick resting to Guntoor in a state of exhaustion and debility and requiring skilful medical tendance, medicines and shelter, &c. A shed was run up in the local dispensary compound at an expenditure of Rs. 163-2-11, and the patients were attended upon by an Hospital Assistant, detailed by the Surgeon-General, to work under orders of the Zill Surgeon.

3. When medicines and dieting articles were supplied from the dispensary stores, their value was invariably to be made good to the Commissioners.

4. The bill called for in G.O., (Fante), No. 2,522, December 14th, 1878, is enclosed.

5. Under recent orders all relief has been closed in the district, and the Relief Hospital at Guntoor amalgamated with the Civil Dispensary. But as the existing building has no room for the extra patients, they must remain in the shed. This was originally constructed at Government cost and has since been repaired by the Municipal Commissioners. They desire to have it transferred to their dispensary. I see no objection to grant their request.

No. 346. ORDER THEREON, 20th January 1879, No. 139.

Miscellaneous.

HIS GRACE the Governor in Council will sanction the payment of the capitation grant-in-aid for the dieting of the famine in-patients, at the established rate, on the numbers being given, but declines to sanction the bills as submitted.

2. The Collector is authorized to make over to the Municipality the shed with its furniture, attached to the dispensary, erected by the Collector for the accommodation of famine-stricken patients.
