GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

31st August 1878, No. 1,404.

Read the following paper:—

No. 390. Proceedings of the Board of Revenue, dated 17th August 1878, Miscellaneous No. 8,447.

Read the following letter from R. W. BARLOW, Esq., Acting Commissioner of the Nilgiris, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Ootacamund, 1st August 1878, No. 97.

In G.O., No. 494, of 28th March last, Revenue Department, the sale of a block of land estimated to be 300 acres near Pykara, found on survey to be 367.90 acres, was sanctioned. In his letter printed in the Government Order, the late Acting Commissioner proposed that, in the event of the sale being sanctioned, the notice might be published in the Madras and local papers. In accordance with this proposal copies of the advertisement were sent to the *Madras Mail*, *Bangalore Spectator*, and the *South of India Observer* published at Ootacamund. I have received a bill for Rs. 112-8-6 from the "Mail" Office. The bills from the Editors of the other papers have not yet been received, but taking the cost of publication in them at the same amount as that of the "Mail," the total charges amount to about Rs. 337-9-6. I have the honor to request instructions of the Board as to how this amount is to be debited in the accounts. Its inclusion in the upset price which, according to the rules, is composed of the cost of demarcation and survey of the land, seems to me to be open to objection on the part of bidders, as the publication of the notices in private papers does not seem contemplated by the Waste Land Rules.

2. I would propose to debit the amount to "Land Revenue." Should the sale of the land at auction fetch a high price, the difference between the upset price and the highest bid will, of course, be carried to the credit of Government as hitherto. In anticipation of Board's sanction, I have paid the bill from the "Mail" Office.

P.S.—Since finishing this letter a bill for Rs. 123 was received from the local Press and paid.

SUBMITTED to Government with the request that the Accountant-General may be authorised to admit the charges referred to, debiting to "Land Revenue," Contingencies.

2. It was quite unnecessary to publish the Sale Notice at full length; an abstract would have sufficed.
