REVENUE DEPARTMENT.

Read the following paper:—

No. 392. Proceedings of the Board of Revenue, dated 19th August 1878, No. 2,334.

Read the following letter from H. W. BLISS, Esq., Commissioner of Salt Revenue, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Madras, 14th August 1878, No. 987:—

IN reply to the Board's Proceedings, Miscellaneous No. 8,248, dated the 12th instant, I have the honor to report that I have corrected the notification of the sale of salt in South Canara in conformity with the wishes of Government and sent it for publication in the *Fort St. George Gazette*.

2. The minimum prices I have notified are those given in paragraph 8 of my letter, No. 856, dated the 31st July 1878, and recorded in the Board's Proceedings, No. 2,161, dated the 3rd August 1878.

3. I propose to proceed to Mangalore and dispose of the tenders personally.

4. The original notification submitted by me provided for the sale of the salt now offered to competition in two lots, tenders for which were to be received and disposed of on different dates three weeks apart. Had I adhered to this arrangement I should have been detained at Mangalore for a month or more before I could have got all the necessary orders, &c., executed and the whole business completed. I cannot spare time for this, and have therefore notified that the tenders for the whole of the salt will be received and disposed of by me on the same day. I have fixed the latest day for receipt of tenders on the 25th September and shall dispose of them on the 30th idem. I trust this slight change will be approved by the Board.

SUBMITTED for the information of Government.

2. The Board approve the alteration alluded to in paragraph 4.
