Read the following letter from R. J. MELVILLE, Esq., Collector of Madras, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated 14th August 1878, No. 253:—

I HAVE the honor to inform you that the sum of Rupees 200 sanctioned in G.O., No. 826, dated 1st June 1878, for filling up certain pits in the compound of the Government Arrack Distillery at Tondiarpet is reported by the Deputy Collector to be insufficient.

2. The work was undertaken by the Deputy Collector as soon as he received the Government Order referred to, and at the end of 9½ days he found himself short of funds with the work but partly done. It is proposed to fill up the remaining portion of the pits with municipal sweepings and rubbish in communication with the Executive Engineer of the Madras Municipality who estimates that about 800 coolies will be wanted in all to complete the work. The sum required to pay these coolies at an average of 3 Annas a day amounts to Rupees 150, but the Deputy Collector requests that a sum of Rupees 200 may be placed at his disposal, and I request that the additional sum may be sanctioned.

3. The original estimate of Rupees 200 for filling up the pits was framed by Deputy Collector Neevin Rao. The further expenditure necessitating the Distillery in the Government Order above quoted will be submitted on receipt of information called for from the Deputy Collector to whom a reminder has also been sent.

SUBMITTED to Government with the request that a further sum of Rupees 200 may be sanctioned.
