GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

Read the following paper :—

No. 311. Proceedings of the Board of Revenue, dated 17th September 1878, No. 2,569.

Read the following letter from W. S. WHITESIDE, Esq., Collector of North Arcot, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Tripatty, 10th September 1878, No. 273 :—

I HAVE the honor to submit my fortnightly report regarding the appearance of locusts in this district.

2. I am happy to be able to state that during the fortnight under report the locusts have not made their appearance in any part of the district except in a village in the Punganur Division. No material damage was caused by them to crops in that village. The Deputy Tahsildar has reported that the ryots of the village refused to interfere with them on an alleged superstitious belief that misfortune would befall any one who killed them. The Deputy Tahsildar, however, succeeded in destroying a number of these insects, and I have again issued instructions to all Taluk Officers, which I hope may disabuse the minds of the people of such foolish ideas. This is the only instance in which the villagers in this district have not evinced the utmost readiness to drive away or kill these noxious insects.

SUBMITTED for the information of Government.
