

seem to allow pay at Rs 1800 to a Military Superintendent who entered the Dept. after 31st October 1872 but not to one who entered before that date, whereas from para 3 of Mr Batten's letter 21st May 1877 No 363 the exact reverse was apparently intended. The words in this para: "if a military officer, 1800" would more appropriately appear in the next para after the words "Acting allowance".
