GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

25th September 1878, No. 1,573.

Read the following paper :—

No. 317. Proceedings of the Board of Revenue, dated 20th September 1878, Miscellaneous No. 9,739.

Read the following letter from L. R. BURROWS, Esq., Acting President, Municipal Commission, Madras, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated 5th September 1878, No. 43 :—

I HAVE the honor to report for the information of the Board of Revenue that the Municipal Commissioners for this city, at their meeting of the 30th ultimo, sanctioned an establishment for collecting the Imperial License Tax. The salary of the Collector is fixed at Rs. 250 per mensem. I have offered the appointment to the only two officers in the service of the Municipality, who being competent to do the work, were in such a position as to be likely to think it worth their while to accept the office, and both have declined. Considering their reasons, I do not feel justified in forcing the office upon them. I am therefore compelled either to appoint an outsider or to apply for a Government servant. I prefer the latter alternative. The appointment is a very important one, and should not be given to any but a tried man. The Municipality would be under a great obligation to the Board for assistance in the matter, and I could undertake to say on behalf of the Commissioners, that no difficulty would be made in the matter of securing any Government servant whose services might be placed at their disposal, in the continuity of his pensionary service. In effect, the pay of such officer would be Rs. 250 per mensem *plus* the payment which he would be required to make to Government, to make his service pensionary.

Trusting to be favored with an early reply, I have &c.

From the same Officer, dated Madras, 10th September 1878, No. 50.

IN continuation of my letter to your address of the 5th instant, No. 43, and in order to save delay, I have the honor to request that the Board of Revenue will be pleased to have such person, as the Board may lend to the Municipality, as requested in my letter above noted, for collecting the Imperial License Tax, vested with the powers and duties under Sections 6, 10, 11, 12, 13, 14 and 15 of Madras Act III of 1878.

SUBMITTED for the orders of Government.

2. The Board recommend that the services of C. Kalyanasundrum Chetty, Acting Treasury Deputy Collector, Nellore, be lent to the Madras Municipality for employment temporarily as Assessor and Collector in the License Tax Department. The Municipality offer a salary of Rupees 250 per mensem *plus* pensionary contribution, and the Board have ascertained that Kalyanasundrum Chetty is willing to accept the appointment provided he is allowed to retain a lien on his present permanent appointment, and that he will not be considered to have forfeited his claims to promotion in the service of Government. Mr. Grose is averse to his removal from the district on the ground of the inconvenience likely to result from

a change of officers at present unless the public interests demand it, but the Board would overrule the objection. It is of great importance that every assistance should be afforded to the Commissioners in the collection of the tax, about one-eighth of the whole sum estimated for the Presidency being leviable within the Madras Municipal limits.

3. In the event of the nomination being approved, it is requested that the powers specified in the second letter read above may be conferred on Kalyana-sundrum Chetty.
