Examination of Assistants.

Read the following paper :—

No. 157. *From D. S. WHITE, Esq., Secretary to the Committee for the Examination of Assistants, to the Chief Secretary to Government, dated Madras, 27th November 1877, No. 3082.*

Adverting to G.O., No. 2876, dated the 23rd instant, Revenue Department, Famine Relief, I have the honor, by direction of the President, to bring to the notice of Government that the stations at which the Committee propose to hold the coming Assistants' Examination are the following :—

Rajahmundry,	Sydapett,	Cuddapah,
Kurnool,	Nellore,	Coimbatore,
Tanjore,	Salem,	Bellary, and
Calicut,	Madura,	Tellicherry.

As with the exception of Rajahmundry, the other stations are in Famine
Kurnool, Cuddapah, and
Tanjore, Bellary
Salem,

have been received representing that inconvenience will be caused to them, President recommends that the whole examination be postponed to June 1878.

3. A further reason for the postponement is that the same papers are set all round; and if the papers now prepared are set in any one instance, a fresh demand will have to be made on the Examiners, who already complain of the tax on their time, if another examination is to be held before June 1878.

4. Three Officers of the Police Department came up at the same time as the Assistants for examination in Law. As the same Judicial papers are put before them, the President recommends that their examination should also be postponed.

No. 158. ORDER THEREON, 30th November 1877, No. 1629.

The President's recommendations are approved.

Civil Servants.

Read the following paper :—

No. 51. From A. THOMPSON, Esq., Assistant Collector of the Chingleput District, to the Collector of the Chingleput District, dated Sydapet, 6th December 1877, No. 42.

I have the honor to inform you that I have this day received a notification from the Secretary to the Committee for the Examination of Assistants informing me that the examination fixed for the 17th instant and the succeeding days has been postponed until June 1878, in other words that the ordinary half-yearly examination will not be held.

2. As I am fully prepared to pass the prescribed examination for the Higher Standard this postponement will cause me great injury, in keeping the harassing annoyance and trouble of an impending examination before my mind for six months retaining me for that time in the position of an unpassed Assistant, and

more serious duties than ordinarily fall to Assistants during their first year, and this order now puts us back for six months in our official career. I know of no reason why we should be put to so great a disadvantage as compared with our predecessors and successors.

4. If motives of economy have led to this order, I am quite willing, if I may be allowed, to come up for the examination at once to forego the additional allowance if I pass until June 1878, as my great wish is to escape from the weary and vexations of study for the examination.

ENCLOSURE No. 1.

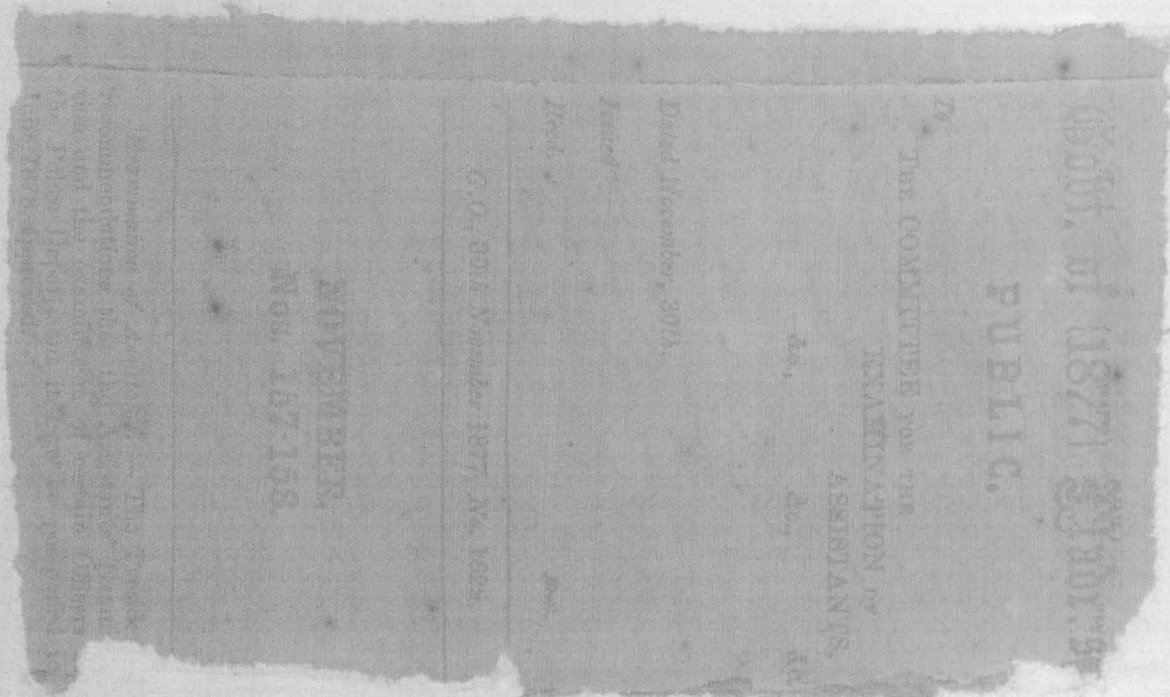

From D. S. WHITE, Esq., Secretary to the Committee for the Examination of Assistants, to the Assistant Collector of Chingleput, dated Madras, 5th December 1877.

I have the honor under direction of the President to inform you that the examination of Assistants and Police Officers in Law, which was to have been held on the 17th instant and following days, has been postponed under G.O., No. 1629, dated the 30th ultimo, to June 1878.

No. 382.

Submitted to Government for favorable consideration and early orders, together with copy of a letter addressed to the Assistant Collector by the Secretary to the Committee for the Examination of Assistants. The Government Order therein referred to has not been received in this office.

2. The Collector had arranged with reference to G.O., F.R., No. 2876, dated 23rd November 1877, with the concurrence of the Judge, that Mr. Thompson's examination should take place at Chingleput on the 17th, 18th, and 19th instant, the Sub-Collector who resides there taking the Collector's place. This course will cause no

inconvenience whatever. Should it however be considered advisable that the examination be at Sydapet the Collector will modify his plans and arrange accordingly, rather than that the Assistant Collector should have his chance of passing postponed for six months, should Government so permit.

On re-consideration of this matter the Governor in Council resolves to direct that the examinations be held as far as possible in the ordinary course, excepting only those officers who have been specially exempted from appearing on this occasion.
