GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

2nd February 1878, No. 161.

Read the following papers:—

No. 10. From Lieutenant-Colonel R. H. BEDDOME, Conservator of Forests, to C. G. MASTER, Esq., Secretary to Government, Revenue Department, dated Madras, 17th January 1878, No. 1,336.

In forwarding herewith a letter received from the Deputy Conservator of Forests, North Coimbatore Division, dated the 8th ultimo, No. 677, I have the honor to bring to the notice of Government that that officer incurred an expenditure of Rs. 197-11-1 on account of the carriage of office-records from June 1874 to February 1877, and requested, in his communication of the 26th June 1877, No. 248, of which a copy is herein enclosed, to transfer Rs. 200 from A "Conservancy and Works" to III "Contingencies;" but in my reply, dated the 8th August 1877, No. 495,

* Copy enclosed.

~~I stated that the request of transferring funds from one main head to another rests with the Government of India, and that his request could not, therefore, be complied with.~~

2. Mr. Morgan states that the outlay in question was actually incurred by him, and requests that sanction may be accorded for the transfer of that sum from IX "Miscellaneous" (e), other charges under A "Conservancy and Works," as no funds are available to meet the expenditure from III "Contingencies" in the budget estimate of the current official year. Under these circumstances, I beg to submit the papers for the consideration and orders of Government through the Accountant-General.

ENCLOSURE No. 1.

From R. W. MORGAN, Esq., Deputy Conservator of Forests, North Coimbatore Division, to Lieutenant-Colonel R. H. BEDDOME, Conservator of Forests, dated 26th June 1877, No. 248.

The budget grant under the head III "Office Contingencies," viz., Rs. 280, of this division having been almost drawn from the treasury on abstract bills, I have the honor to request that you will be good enough to transfer to this head a sum of Rs. 200 from the allotment under X (3) subordinate to A "Conservancy and Works" to meet the expenditure till the close of the official year. The reason of the original grant having been spent within three months from the commencement of the official year, is due to the payment of Rs. 197-11-1 on account of the carriage of the Deputy Conservator's Office-box, while on tour of inspection, for period between June 1874 and February 1877.

ENCLOSURE No. 2.

From Lieut.-Colonel R. H. BEDDOME, Conservator of Forests, to R. W. MORGAN, Esq., Deputy Conservator of Forests, North Coimbatore Division, dated Ootacamund, 8th August 1877, No. 495.

ADVERTING to your letter, dated the 26th ultimo, No. 248, I have the honor to point out that, agreeably to paragraph 14 of the Resolution of the Government of India, dated the 13th February 1877, No. 5-152-166, communicated in G.O., dated the 15th idem, No. 670, the power

of transferring funds from one main head to another rests with the Government of India, your request cannot, therefore, be complied with. Orders have just been given by me to retrench the amount from the contingent bill of your office. The charges up to the end of the past official year should have been drawn and adjusted from time to time. The officer who incurred the charge in question should make good the sum referred to, as he neglected to draw the amount actually incurred before the end of the each official year.

ENCLOSURE No. 3. ✓

From R. W. MORGAN, Esq., Deputy Conservator of Forests, North Coimbatore Division, to Lieutenant-Colonel R. H. BEDDOME, Conservator of Forests, dated Coimbatore, 8th December 1877, No. 677.

In reply to your letter, No. 495, dated 8th August 1877, I have the honor to inform you that no definite instructions having been given me on the subject, and as the amount spent monthly was so insignificant that I did not think it worthwhile drawing the same, I only sent in a bill when I found that it had accumulated to nearly 200 Rs. The money having been spent by me out of my own pocket, I think I was fairly entitled to draw it at any time. Had the amount been spent out of the "permanent advance," it would have been drawn month by month. There being no "Permanent Advance Fund" for office contingencies, I was obliged to defray such expenses from my private purse.

2. Under the above circumstances, and to avoid a reference being made to the Government of India for transfer of sums from one main head to another, I beg you will be good enough to accord sanction for the sum of Rs. 197-11-1 now under objection, being met out of the budget grant of "(c) Other Charges" under "IX, Miscellaneous" subordinate to "A, Conservancy and Works" of my division, viz., Rs. 1,285, against which Rs. 12-14-6 only have been spent up to October 1877.

No. 212.

REFERRED to the Accountant-General.

FORT ST. GEORGE,
22nd January 1878.

(Signed) C. G. MASTER,
Secretary to Government.

No. 11. From L. C. PROBYN, Esq., Accountant-General, Madras, to C. G. MASTER, Esq., Secretary to Government, Revenue Department, dated Fort St. George, 24th January 1878, No. 1,354.

With reference to the accompanying letter from the Conservator of Forests, No. 1,336, dated the 17th instant, referred for my remarks, I have the honor to state that, should His Grace the Governor in Council be pleased to accord sanction for the disbursement to the Deputy Conservator, North Coimbatore Division, of the amount expended by him for the carriage of office-records between June 1874 and February 1877, "B, Establishments" is the proper sub-head to which the charge in question ought to be debited, notwithstanding the insufficiency of the grant under Section III, Contingencies.

2. Referring, however, to the actuals of the first eight months of the current year, the aggregate expenditure under "B, Establishments" is Rs. 1,863 below the proportionate grant of Rs. 1,46,666 for that period. As the claim now under reference amounts to Rs. 197-11-1 only, it may, if sanctioned, be met from those savings.

THE payment of the amount* expended by the Deputy Conservator, North Coimbatore Range, on the carriage of Office-records between June 1874 and February 1877 is sanctioned, and the charge will be met in the manner indicated by the Accountant-General.

2. The Government presume that the Deputy Conservator is mistaken in supposing it was necessary for him to meet the original outlay from his own pocket.
