GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

8th October 1878, No. 1,627.

Read the following paper :—

No. 71. Proceedings of the Board of Revenue, dated 24th August 1878,
No. 2,374.

Read the following Proceedings of the Madras Government, dated 19th June 1878.
No. 927, Revenue Department :—

ABSTRACT.—*Jungle Conservancy Fund*.—Reviewing report on the working of the
— from its institution in 1860-61, and requesting the Board to prepare in future a
separate annual report on the operation of this fund.

COMMUNICATED to all Collectors for their information and guidance.

2. With reference to paragraphs 5 and 6 of the Government Order the Board
have revised the forms of the Budget Estimate of Receipts and Charges of the Jungle
Conservancy Fund and have appended them to these Proceedings. Detailed instruc-
tions will be shortly issued to Collectors regarding the preparation of these and other
Special Fund Budget Estimates.

3. Adverting to paragraph 7 of the Order the Board in their Proceedings, dated
2nd February 1877, No. 409, pointed out the difficulty involved in the review of the
detailed Jungle Conservancy Fund Budgets and suggested that the 1st February of
each year should be fixed as the date for the submission of their review instead of
the 15th December. The Government

* *Vide* G.O., Revenue Department, dated 27th February 1877, No. 851. approved* the suggestion which was duly
notified to all Collectors in Board's Pro-
ceedings, dated 7th April 1877, No. 1,562,
and the Board trust that on further consideration the Government will not insist on
the submission of the detailed budget preceding the General Special Fund Budget in
which it is summarized.

4. As regards paragraph 8 of the Order the Board beg that the present practice
of reviewing the operations of all the Special Local Funds in one General Report may
be allowed to continue for the year 1877-78, as almost all the Special Local Fund
Reports for the year have already been received and printed. A separate report on the
operations of the Jungle Conservancy Fund will be submitted, commencing from
1878-79.

No. 72.

ORDER THEREON, 8th October 1878, No. 1,627.

Forests, No. 5.

THE revised forms of Budget Estimates are approved, but the receipts from, and expenditure on, plantations and "abstract" columns be added to each statement as in the case of those used by the Forest Department.

2. The Government are not prepared to alter the date of submission of the detailed Budget Estimates as suggested by the Board. They consider it most desirable that full details should be before them at the time the summary in the General Special Fund Budget comes under review, and also that there should be ample time for revision and alterations which may necessitate reference to Collectors and should at all events reach the districts early in the year to which the estimates relate.

The Budget Estimates for 1878-79, though due on the 1st of February last, did not reach Government until September.

3. The postponement of the submission of the separate Annual Report on the operations of the fund is sanctioned as requested.
